Roses In December - An Autobiography written Chagla M C by ...
Roses in December is a book to be read, and re-read and read all over again and digested. Where he writes about the judiciary, administration, diplomacy or of life itself, Mr. Chagla, brings to his work a sharp mind, a tolerant outlook and a sense of decency and decorum that marks him out not only as a perceptive analyst, but as a great gentleman and human being.

What is the book review/summary of roses in december an ...
Roses In December: An Autobiography, originally published in 1973, is the autobiography of Mahommedali Currim Chagla, who was the Chief Justice of the Bombay High Court from 1948 to 1958. Roses In December: An Autobiography takes readers into the life of this great personality, while covering the unfolding of Indian history. The author was a member of the Muslim League, and was a follower of Jinnah.

James M. Barrie, speech, : "God gave us memory so that we might have roses in December." (Webster's Dictionary of Quotations)

Roses in December - phrase meaning and origin
In 1973, Chagla published his autobiography, Roses in December, with the help of his son Iqbal. He vehemently protested against the Indian Emergency. He died on 9 February 1981, at the age of 81 of heart failure. He had been unwell for several years, and had suffered four heart attacks. True to his active and energetic nature, he had not let his health slow him down.

M.C. Chagla is the author of Roses in December (4.14 avg rating, 270 ratings, 22 reviews, published 2000)

Reminiscences of an Indian jurist and statesman.

Based on Portuguese legend, this #OwnVoices historical fantasy is an epic tale of mystery, magic, and making the impossible choice between love and duty... With just one touch, bread turns into roses. With just one bite, cheese turns into lilies. There□s a famine plaguing the land, and Princess Yzabel is wasting food simply by trying to eat. Before she can even swallow, her magic□her curse□has turned her meal into a bouquet. She□s on the verge of starving, which only reminds her that the people of Portugal have been enduring the same pain for years. If only it were possible to reverse her magic. Then she could turn flowers into food. Fatyan, a beautiful Enchanted Moura, is the only one who can help. But she is trapped by magical binds. She can teach Yzabel how to control her curse□if Yzabel sets her free with a kiss. As the King of Portugal□s betrothed, Yzabel would be committing treason, but what good is a king if his country has starved to death? With just one kiss, Fatyan is set free. And with just one kiss, Yzabel is yearning for more. She□d sought out Fatyan to help her save the people. Now, loving her could mean Yzabel□s destruction. A Curse of Roses includes themes, imagery, and content that might be triggering for some readers. Discussions of religious-based self harm, religious-based eating disorders, and religious-based internalized homophobia appear throughout the novel.

Used for years by individuals, grief counselors, and support groups, Roses in December has helped readers understand the grieving process, support family members, give insight into sibling grief, and maintain their marriages during difficult times. This newly revised edition offers the same compassion and encouragement plus chapters on losing loved ones under special circumstances, such as suicide and AIDS. With deep empathy, Marilyn helps those who are grieving find God□s comfort. Having lost three sons, she knows the tremendous sorrows and struggles that come with the death of loved ones. Yet she shares how even in the winters of our lives God provides roses□special occasions, special people, and special memories□to give us strength and draw close to Him.

Illustrated - (Total of 100 B & W pictures) - The Battle of Hong Kong took place between 8th December and 25th December 1941. This is the tale of the Stanford family and how they were affected by this battle. It tells of life in the Army, life in the colonies, the battle, the infamous Lisbon Maru, and how the family coped with the war, evacuation, repatriation, and post war - Will also be of particular interest to aircraft enthusiasts, with 16 of the pictures being of aircraft at the time of the fall of Hong Kong - Japanese, civilian and allied aircraft are covered.

This book presents a critical and comprehensive biography of Radhakrishnan. The authors explain how Radhakrishnan, who had a British knighthood and an Oxford Professorship, and who did not participate in India's struggle for freedom, became important in the political life of Independent India. They show how this philosophy professor and vice chancellor often expressed radical views, developed rapport with national leaders, and became President of Indian under Nehru without losing the goodwill and regard of either the British intellectuals or the colonial government of India. It is the thought of Sarvepalli Radhakrishnan that is most often presented in the West as "Hinduism." Through an analysis of his autobiographical sketches, writings of those who knew him and worked with him, and documents, the authors come to grips with Radhakrishnan's complex personality which, in spite of his greatness and varied achievements, is all too human.

Enacted for historical reasons on 26 January 1950, the Constitution of India provided that the Supreme Court of India, situated in New Delhi, was to have one Chief Justice of India, and not more than seven judges. Today, the Court has 33 judges in addition to the Chief Justice of India. But who are these judges, and where did they come from? Its central thesis is that despite all established formal constitutional requirements, there are three informal criteria which are used for appointing judges to the Supreme Court: age, seniority, and diversity. The author examines debates surrounding the Indian judicial system since the institution of the federal court during the British Raj. This leads to a study of the political developments that resulted in the present 'collegium system' of appointing judges to the Supreme Court of India. Based on more than two dozen interviews personally conducted by the author with former judges of the Supreme Court of India, this book uniquely brings to the fore the unwritten criteria that have determined the selection of judges to the highest court of law in this country for over six decades.

The sexy, action-packed first book in the #1 New York Times bestselling Court of Thorns and Roses series from Sarah J. Maas. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not truly a beast, but one of the lethal, immortal faeries who once ruled her world. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin-and his world-forever. From bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

Commemorative volume in honour of late Hariprasanna Das, b. 1924, Indian geographer; contributed articles.
