With dozens of beautiful, detailed illustrations, this stunning coloring book captures the essence of Hello Kitty and her Sanrio friends—all waiting to have their world colored in by you! For artists and Hello Kitty fans of all ages.

Cat owners are familiar with those little joys of owning a feline friend: From finding cat hair-covered dresses to creating, well, inventive cuddle positions for sleepy time, Yasmine Surovec is all too familiar with the world of a cat lover. She began sketching out her observational humor as a hobby on her blog at catversushuman.com/blog, and her Web site soon began receiving as many as 12,000 hits per day. Her posts have been featured on popular Web sites The

Huffington Post and I Can Has Cheezburger?, and in 2011 her comics were published in her first book, *Cat vs Human*. In her second collection of *Cat vs Human* comics, Surovec dives further into the intricacies of cat ownership. Perhaps you've had the pleasure of awakening next to a lovely gift from your cat--such as a dead mouse or hairball--or maybe you understand the necessary pain tolerance that comes from being a scratching post for unclipped claws. Either way, this book is sure to leave you rolling with laughter . . . on your cat hair-infested floor. This collection includes 140 comics from the blog plus 21 new, never-before-seen comics created specifically for this book.

A book that will delight every cat lover, full of wise and unforgettable life lessons, each paired with the perfect photo. Cats are the ultimate savants, possessing

Dignity, intelligence, poise, and sass in equal measure. They know when to play it cool, and when to pounce; when to fly solo, and when to cuddle up. Entertaining, unpredictable, and just a bit wild, cats encourage us to explore, take chances, and live on the edge—just as if we too had nine lives. Cynthia L. Copeland, author of the bestselling *Really Important Stuff My Dog Has Taught Me* and *Really Important Stuff My Kids Have Taught Me*, now turns her attention to our mysterious feline friends. Every page of this full-color gift book is a joyful reminder of what's important in life. Like Confidence: "Insist on a seat at the table." Curiosity: "Have more questions than answers." Adventure: "Sometimes you have to leap before you look." Individuality: "You'll be remembered for what sets you apart." Kindness: "Recognize the power of your purr." And Solitude: "Find your own

Best in Show! Peel the sticker, place the sticker, and watch your painting come to life. If only you had a tail to wag! New York Times bestselling author Lisa Kleypas delivers a scintillating tale of an unconventional beauty who finds passion with the spy who can't resist her. A woman who defies her time. Dr. Garrett Gibson, the only female physician in England, is as daring and independent as any man—why not take her pleasures like one? Yet she has never been tempted to embark on an affair, until now. Ethan Ransom, a former detective for Scotland Yard, is as gallant as he is secretive, a rumored assassin whose true loyalties are a mystery. For one exhilarating night, they give in to their potent attraction before becoming strangers again. A man who

Breaks every rule As a Ravenel by-blow spurned by his father, Ethan has little interest in polite society, yet he is captivated by the bold and beautiful Garrett. Despite their vow to resist each other after that sublime night, she is soon drawn into his most dangerous assignment yet. As they face the menace of a treacherous government plot, Ethan is willing to take any risk for the love of the most extraordinary woman he's ever known.
