caliber tennis player and in every way the perfect co-ed, Jess isn't likely to notice Cam's admiring glances. Even if she does, chances are she'll never think of Cam as more than a fan. Though Nancy Dell'Olio is no stranger to the front pages, her real story has never been told. Now, for the first time she talks about herself, her life and the passions which have inspired her. It's a story which millions think they know already, from the acres of purely speculative newsprint which this fascinating woman has generated. Prepare to be

surprised! The real story is far more gripping than the fictional one. Born and brought up in New York City, Nancy is a true woman of the world. She has the temperament and style of an Italian, yet she lives in London and has adopted an English lifestyle. She is also a proud European, a Catholic, a Jew and a true internationalist. She is also a successful lawyer with a keen interest in politics and world affairs - a woman for all seasons. Nancy has always emerged serene from scandal that would break most people. She values her sense of humour as her saving grace. Remember that scarlet cat suit entrance to Downing Street and all those classic red carpet moments? Nancy is just as at home in combat jacket and fatigues on the streets of Ramallah as lunching at Claridges. Fashion is fun and life is too serious to be taken seriously. Nancy's book tells the whole story of her life so far. From her childhood in New York and Puglia in Italy and the

Cricket accident which nearly killed her, to the successful career in in commercial law and the passions which drive her on, despite all too public crises which would be the end of most of us. This is an inspirational and entertaining glimpse into the life of a fascinating and enigmatic woman.

In *The Art of a Beautiful Game*, Chris Ballard, the award-winning *Sports Illustrated* writer who has covered the NBA for the past decade, goes behind the scenes to examine basketball in ways that will surprise even die-hard fans. An inveterate hoops junkie who played some college ball, Ballard sits down

with the NBA's most passionate, cerebral players to find out their tricks of the trade and to learn what drives them, taking readers away from the usual sports talk radio fodder and deep into the heart of the game. Ballard talks to Dwight Howard, a prolific shot-blocker, about the enervating feeling of meeting another man at the height of his leap; challenges Steve Kerr to a game of H-O-R-S-E to understand the mentality of a pure shooter; reveals the roots of Kobe Bryant's unmatched killer instinct; and spends time with LeBron James to better understand both his mental game and his seemingly unlimited physical skills. He tracks down renowned dunkers from Dominique to Shaq to explore the impact of the dunk on the modern game, shadows Shane Battier during his preparations to defend LeBron, takes lessons from a freethrow shooting guru who once hit 2,750 in a row, and attends an elite NBA training camp to feel the pain that

Adrienne instantly became her mother ' s confidante and helpmate, blossoming in the sudden light of her attention, and from then on, Malabar came to rely on her daughter to help orchestrate what would become an epic affair with her husband ' s closest friend. Only years later will she find the strength to embrace her life—and her mother—on her own terms. *Wild Game* is a brilliant, timeless memoir about how the people close to us can break our hearts simply because they have access to them, and the lies we tell in order to justify the choices we make.
