The third series set in this world after *A Modern Witch* and *Witchlight Trilogy*, this series makes use of a number of characters that were first introduced in the *Modern Witch* and *Witchlight Trilogy* books. The series also utilizes concepts from its predecessors, though it attempts to do a few new things. Debora Geary created her world of Witches in 2011 and didn't bring things to an end until 2014 when she released *A Dangerous Witch*, the book that capped the whole *Modern Witch Universe* off.

The Crucible meets True Grit in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, Outlawed dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

In this charming debut fantasy perfect for fans of *Sorcery of Thorns* and *Girls of Paper and Fire*, a witch cursed to never love meets a girl hiding her own dangerous magic, and the two strike a dangerous bargain to save their queendom. Tamsin is the most powerful witch of her generation. But after committing the worst magical sin, she's exiled by the ruling Coven and cursed with the inability to love. The only way she can get those feelings back—even for just a little while—is to steal love from others. Wren is a source—a rare kind of person who is made of magic, despite being unable to use it herself. Sources are required to train with the Coven as soon as they discover their abilities, but Wren—the only caretaker to her ailing father—has spent her life hiding her secret. When a magical plague ravages the queendom, Wren's father falls victim. To save him, Wren proposes a bargain: if Tamsin will help her catch the dark witch responsible for creating the plague, then Wren will give Tamsin her love for her father. Of course, love bargains are a tricky thing, and these two have a long, perilous journey ahead of them—that is, if they don't kill each other first.

One of the Most Anticipated Young Adult Debuts of 2021! From a stunning new voice in YA comes the fierce, romantic story about a world on the brink of destruction, the one witch who holds the power to save it, and the choice that could cost her everything she loves. For centuries, witches have maintained the climate, their power from the sun peaking in the season of their birth. But now their control is faltering as the atmosphere becomes more erratic. All hope lies with Clara, an Everwitch whose rare magic is tied to every season. In Autumn, Clara wants nothing to do with her power. It's wild and volatile, and the price of her magic—losing the ones she loves—is too high, despite the need to control the increasingly dangerous weather. In Winter, the world is on the precipice of disaster. Fires burn, storms rage, and Clara accepts that she's the only one who can make a difference. In Spring, she falls for Sang,

the witch training her. As her magic grows, so do her feelings, until she's terrified Sang will be the next one she loses. In Summer, Clara must choose between her power and her happiness, her duty and the people she loves...before she loses Sang, her magic, and thrusts the world into chaos. "A bright, fresh read from a glowing new voice, *THE NATURE OF WITCHES* is both timely and stirring. Griffin's emotional writing that cuts to the heart will make her a new YA favorite."—Adrienne Young, New York Times bestselling author of *Fable* "The forces of nature and magic blend perfectly in this masterfully told story... I couldn't love this book more."—Shea Ernshaw, NYT bestselling author of *The Wicked Deep* and *Winterwood*

To save a fae kingdom, a trans witch must face his traumatic past and the royal fiancé he left behind. This debut YA fantasy will leave you spellbound. Wyatt would give anything to forget where he came from—but a kingdom demands its king. In Asalin, fae rule and witches like Wyatt Croft don't. Wyatt's betrothal to his best friend, fae prince Emyr North, was supposed to change that. But when Wyatt lost control of his magic one devastating night, he fled to the human world. Now a coldly distant Emyr has hunted him down. Despite transgender Wyatt's newfound identity and troubling past, Emyr has no intention of dissolving their engagement. In fact, he claims they must marry now or risk losing the throne. Jaded, Wyatt strikes a deal with the enemy, hoping to escape Asalin forever. But as he gets to know Emyr, Wyatt realizes the boy he once loved may still exist. And as the witches face worsening conditions, he must decide once and for all what's more important—his people or his freedom.
