This romance revolves around a theme that occupied Shakespeare later in life: reconciliation. Wrongs committed by one generation, here a wife unjustly accused of adultery, are made right by the next generation.

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, Top Girls has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

The Winter's Tale is regarded as Shakespeare's most perfectly realized tragicomedy. Though the title may suggest an escapist fantasy, recent criticism has seen in the play a realistic psychology and a powerful commentary on the violence implicit in family relationships and deep, longlasting friendships. This edition considers the play in relation to Renaissance conceptions of both dramatic genre and the family, traces the changing critical and theatrical attitudes towards it and places its psychological and dramatic conflicts within the Jacobean cultural and political context. The commentary pays special attention to the play's linguistic complexity and also includes a complete reprint of Shakespeare's source, Pandosto, by Robert Greene.

Now a major motion picture A bestseller that takes readers on a journey to New York of the Belle Epoque, where Peter Lake attempts to rob a Manhattan mansion only to find the daughter of the house at home. Thus begins the love between the middle-aged Irishman and Beverly Penn, a young girl who is dying. “This novel...is a gifted writer’s love affair with the language” (Newsday).

Shocking, banned and the subject of obscenity trials, Henry Miller's first novel Tropic of Cancer is one of the most scandalous and influential books of the twentieth century Tropic of Cancer redefined the novel. Set in Paris in the 1930s, it features a starving American writer who lives a bohemian life among prostitutes, pimps, and artists. Banned in the US and the UK for more than thirty years because it was considered pornographic, Tropic of Cancer continued to be distributed in France and smuggled into other countries. When it was first published in the US in 1961, it led to more than 60 obscenity trials until a historic ruling by the Supreme Court defined it as a work of literature. Long hailed as a truly liberating book, daring and uncompromising, Tropic of Cancer is a cornerstone of modern literature that asks us to reconsider everything we know about art, freedom, and morality. 'At last an unprintable book that is fit to read' Ezra Pound 'A momentous event in the history of modern writing' Samuel Beckett 'The book that forever changed the way American literature would be written' Erica Jong Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include Tropic of Cancer (1934), Tropic of Capricorn (1939), and the Rosy Crucifixion trilogy (Sexus, 1949, Plexus, 1953, and Nexus, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.
