When Alan Titchmarsh invited us on a behind-the-scenes tour of his garden in Hampshire, we couldn't resist. We spent a year photographing it, and you can see the results, with detailed maps and Alan's personal take on the garden's progression over 17 years, in a 10-page feature in the October issue of the magazine. Alan describes his garden as a private refuge - a "respite from the worries of the world".

### ~~My Secret Garden : Alan Titchmarsh : 9781849900584~~

Loved the photographs and the chatty style of Alan Titchmarsh. This book is a sheer pleasure with obviously immense detail regarding this his own created garden in Hampshire. The garden is certainly an achievement of which he is proud and gives us the chance to see something which has never been seen publicly before.

~~1849900582—My Secret Garden by Titchmarsh, Alan—AbeBooks~~

A really good garden book! " My Secret Garden " by Alan Titchmarsh was published in 2012, and although I didn't get to read it until early 2013, I have since read it several times and I'm more impressed with it the more I read it. Not only are Alan Titchmarsh's gardens absolutely breathtaking and the photographs by Jonathan Buckley lavishly beautiful, but the book is well designed and (rare among garden portrait books) includes enough information for readers to feel they know Titchmarsh and ...

After moving from the Barleywood garden where he hosted BBC Gardeners' World for seven years, Alan Titchmarsh set up home in an old farmhouse a few miles down the road, and went about planting his own private eden away from the public eye. In this horticultural memoir Alan finally reveals all about this secret garden, explaining with his trademark warmth the personal stories behind its design and evolution. Accompanied by beautiful photographs taken by Jonathan Buckley throughout the eight years in which the garden has been made, My Secret Garden allows us access to all of the successes and failures of this diverse and ambitious project. Comprising many different styles and spaces - from an acre of formal beds and ponds to wild flower meadows and a stunning winter garden - Alan's tales of development and cultivation will be applicable to all gardeners. With the plot encompassing fruit trees, a handsome greenhouse and wildlife-friendly plantings, gardeners of all styles and levels of expertise will find something to enjoy. Driven by Alan's infectious and informative style, My Secret Garden is a fascinating, amusing and inspiring book.

Alan Titchmarsh takes us on a fascinating tour through the history of Britains royal gardens from medieval times to the present day. Taking in existing royal gardens as well as many that now only exist in paintings, Alan uncovers the stories behind the gardens and the colourful monarchs who created them. From Hampton Court Palace to Kew Palace and Gardens, to Osborne House and through to the modern day developments at the Prince of Wales' home at Highgrove, Alan takes a highly personal canter through Britains gardening heritage. Fully illustrated with original plans, designs, letters, planting records and full colour diagrams of the major surviving gardens, this is a sumptuous book charting some of the most outstanding gardens in Britain.

Covers everything from the initial planning of your garden on paper to how to make your design a reality with planting, laying and construction guides. This single book will tell you everything you could need to know to achieve your ideal garden. Includes: \* how to assess your site, create a style and source materials \* advice on planting schemes and achieving year-round interest \* tips on working with design principles such as scale, proportion and balance \* simple instructions for hard landscaping Alan Titchmarsh imparts a lifetime of expertise in these definitive guides for beginners and experienced gardeners. Step-by-step illustrations and easy-to-follow instructions guide you through the basic gardening skills and on to the advanced techniques, providing everything you need to create and maintain your dream garden.

Successful gardens can be created in the smallest spaces, and in this inspiring and practical guide Alan Titchmarsh shows how to transform even the tiniest outdoor area into an attractive garden. With ideas for maximizing space and advice on garden design, planning and plant selection, this is the definitive handbook for anyone wanting to create a private haven in limited space. \* Ideas for front gardens, side passages, courtyards, balconies, rooftops and windowsills \* Tricks to make small spaces seem larger \* How to use every inch of space, including containers \* Easy-to-follow landscaping plans for all garden shapes and styles \* Guidance on growing vegetables, herbs and fruit in small plots

It's not easy being a doctor. Ask any GP. The profession may have a glamorous image, but there is little real glamour in haemorrhoids and hernias, athlete's foot and dermatitis. So when retirement looms for Christopher Devon, he is only too happy to shake off the aroma of antiseptic and look forward to a new life. More time to travel, more time for his orchids, and time, perhaps, to meet a new woman. But how to find one? There is no shortage of female patients fluttering their eyelashes (and even the odd male), but what Dr Devon wants is a soulmate as much as a bedmate. Perhaps the internet can help? He seeks and he finds - sometimes with disastrous consequences. But, eventually, love comes to Dr Devon. And then his troubles begin. His former wife has problems of her own, soon to be visited on her ex, and his two grown-up children do not take kindly to the changes in their own circumstances that will be the likely outcome of Dr Devon's dalliances. One gold digger is all that a daughter with a large family and a gay son with a high standard of living need to sever them from their inheritance at 'Bedside Manor'. And passion in retirement? Oh please! Will Dr Devon find true love and live happily ever after? Or will the bitter pill of reality prove a fly in the ointment of his dreams?

Whether you're a complete beginner or a keen gardener, there are always times when it helps to have a reliable expert at your side. In *The Complete How to be a Gardener*, Alan Titchmarsh draws on his extensive knowledge and experience to give you a comprehensive guide to becoming a successful gardener. Alan starts with the fundamentals, covering the absolute essentials that every gardener needs to know, including information on how plants work and what they need to survive, as well as where to begin if you're a first-time gardener. Each chapter includes practical advice and step-by-step techniques and projects, as well as information on garden maintenance and a host of Alan's favourite plants to help you in your selection. With its perfect balance of down-to-earth information and inspirational

garden ideas, this complete paperback edition of How to be a Gardener gets to the very heart of gardening and provides a comprehensive reference manual for any garden owner.

Overcome the problems every gardener faces with helpful solutions to the problem of shady spots, and handy tips on how to make the most of these notoriously difficult areas. Includes: \* creative design ideas for brightening up dark spaces, including north-facing walls \* directory of shade-loving plants \* care advice for shady lawns and how to deal with moss and algae \* ways to achieve year-round colour and interest Alan Titchmarsh imparts a lifetime of expertise in these definitive guides for beginners and experienced gardeners. Step-by-step illustrations and easy-to-follow instructions guide you through the basic gardening skills and on to the advanced techniques, providing everything you need to create and maintain your dream garden.

When Alan left school at fifteen little was expected of him. An O level in art is not the most obvious passport to success, but in the ancient greenhouses of the local nursery Mrs T's little lad found his spiritual home, learning his trade and the strange ways of human nature. But the comfort and familiarity of his home in the Yorkshire Dales would soon be left behind as he journeyed south to college and then to Kew Gardens where he encountered rare plants collected by Captain Cook and a varied assortment of eccentrics in the world's most famous garden. Spells as a teacher and editor followed, until fate took a hand when he landed a job on BBC's Nationwide as their gardening presenter. His childhood dream of inheriting the mantle of gardening god Percy Thrower was beginning to come true... From the first faltering steps in radio and television, to a career in broadcasting and writing, Knave of Spades is a wonderfully warm and self-deprecatingly honest memoir. Alan Titchmarsh shows us just why he has become not only our favourite gardener, but a popular writer and broadcaster too.

In these turbulent times, Britain is rediscovering a passion for gardening and home produce - and the nation's favourite gardener is here to provide the definitive book on the subject. Alan Titchmarsh's comprehensive guide will tell you everything you need to know about fruit and veg and how to grow it, from herbs, baby veg, salads, and every-day fruits to gourmet and unusual varieties. As well as providing the key facts needed to yield good results and what to do when things go wrong, the text is sprinkled with Alan's personal observations, anecdotes, culinary tips and quirky historical uses. Alan's practical approach starts from scratch for those who've never grown their own before, but is also ideal for those with some experience who might be growing edibles in a new way - perhaps in a small space that needs to look attractive, or on a new allotment. Lavishly illustrated throughout, Grow Your Own Fruit and Veg offers inspiration, in-depth knowledge and practical advice, whether you are looking to be self-sufficient or just to grow a few items on your patio or window box. Originally published as The Kitchen Gardener: Grow Your Own Fruit and Veg

'Charming miscellany of rhymes and reflections celebrating the garden' CHOICE \*\*\*  
The perfect bedside book for the green-fingered - hilarious and touching poems on a gardening theme written and introduced by the nation's favourite gardener and presenter of ITV's Grow Your Own At Home and Love Your Garden, Channel 5's
