A concise guide to the history, theory, and practice of alchemy (the "great work")—the art of working with the energies of nature for spiritual development, healing, and transformation. Alchemy is a means of understanding and working in concert with the energies of nature for spiritual development, healing, and transformation. In this book, Brian Cotnoir offers a step-by-step introduction that explores alchemy's mysteries while illustrating its use as a modern spiritual system of attainment. He provides an overview of the history of alchemy, from the first meldings of Egyptian technology to the Middle Ages—the golden age of alchemy—to contemporary techniques. He demystifies the relationship between alchemy and chemistry, and provides evidence that alchemy is much more than a medieval form of psychotherapy. The guide also includes practical laboratory experiments that safely and intelligently lead readers to an understanding of this ancient art and spiritual practice. Provides step-by-step instruction for beginning a practice in alchemy Explains the theory underlying the art and science of alchemy and how it works Demystifies the relationship between alchemy and chemistry, while going well beyond the "psychological interpretation" advanced by nonscientists Introduces the practice of alchemy to students of the Western magical arts This book was previously published as The Weiser Concise Guide to Alchemy. This new edition includes a foreword by Robert Allen Bartlett, author of Real Alchemy.

Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Renowned channeler Paul Selig shares the wisdom of The Guides: "The gift of the times you sit in, humanity at a crossroads, is the gift of the unknown, the unseen, the unprepared for. "How can I prepare for a future, when all I have trusted and believed in seems to be falling away?"...You say yes to the uncertain moment. You agree that the path before you will be lit as you walk it, and not a moment before. " In Alchemy: A Channelled Text, The Guides offer us a way to engage the transformational process of moving beyond a limited interpretation of the self and into a place of true manifestation. As humanity stands at a crossroads, the voices of The Guides offer insight and a path forward. Paul Selig, the author of Beyond the Known: Realization, is one of the foremost spiritual channels in the world. Alchemy is composed of the pure, unedited words of The Guides as they have been channeled through Paul. Their message is poignant and beautifully written, humming with wisdom and insight for all who are ready and willing to receive their words.
