Ranging from South Africa to the West End, her dazzling stories feature hanging judges, fortune-tellers, shy girls, psychiatrists, dress designers, pensive ghosts, imaginary chauffeurs, and persistent guests. Regarding one story ("The Portobello Road"), Stephen Schiff said in The New Yorker: "Muriel Spark has written some of the best sentences in English. For instance: 'He looked as if he would murder me, and he did.' It's a nasty piece of work, that sentence."

A young black girl watches as her aunt 's multiple suitors disrupt her family 's privacy. The same girl, now on the cusp of adulthood, shares her family 's growing fears that her father has disappeared. Acclaimed author Ann Petry penned these and the other unforgettable narratives in Miss Muriel and Other Stories more than seventy years ago, yet in them contemporary readers recognize characters who exist today and dilemmas that recur again and again: the reluctance of African Americans to seek help from the police, the rage that erupts in a black man worn down by brutality, the tyranny that the young can visit on their elders regardless of race. Originally published between 1945 and 1971, Petry 's stories capture the essence of African American experience since the 1940s.

Presents a collection of ghost stories, including "The Hanging Judge," "The Seraph and the Zambesi," and "The Portobello Road."

From the cruel irony of 'A member of the Family' to the fateful echoes of 'The Go-Away Bird' and the unexpectedly sinister 'The Girl I Left Behind Me', in settings that range from South Africa to the Portobello Road, Muriel Spark coolly probes the idiosyncrasies that lurk beneath the veneer of human respectability, displaying the acerbic wit and wisdom that are the hallmarks of her unique talent. The Complete Short Stories is a collection to be loved and cherished, from one of the finest short-story writers of the twentieth century.

A "lavishly entertaining" (Publishers Weekly) distillation of Waugh's genius--abundant evidence that one of the twentieth century's most admired and enjoyed English novelists was also a master of the short form. Evelyn Waugh's short fiction reveals in miniaturized perfection the elements that made him the greatest satirist of the twentieth century. The stories collected here range from delightfully barbed portraits of the British upper classes to an alternative ending to Waugh's novel A Handful of Dust; from a "missing chapter" in the life of Charles Ryder, the nostalgic hero of Brideshead Revisited, to a plot-packed morality tale that Waugh composed at a very tender age; from an epistolary lark in the voice of "a young lady of leisure" to a darkly comic tale of scandal in a remote (and imaginary) African outpost.

"A perfect book"—and basis for the Maggie Smith film—about a teacher who makes a lasting impression on her female students in the years before World War II (Chicago Tribune). "Give me a girl at an impressionable age, and she is mine for life!" So asserts Jean Brodie, a magnetic, dubious, and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh. Brodie selects six favorite pupils to mold—and she doesn't stop with just their intellectual lives. She has a plan for them all, including how they will live, whom they will love, and what sacrifices they will make to uphold her ideals. When the girls reach adulthood and begin to find their own destinies, Jean Brodie 's indelible imprint is a gift to some, and a curse to others. The Prime of Miss Jean Brodie is Spark 's masterpiece, a novel that offers one of twentieth-century English literature 's most iconic and complex characters—a woman at once admirable and sinister, benevolent and conniving. This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author 's archive at the National Library of Scotland.

In Aiding and Abetting, the doyenne of literary satire has written a wickedly amusing and subversive novel around the true-crime case of one of England 's most notorious uppercrust scoundrels and the "aiders and abettors" who kept him on the loose. When Lord Lucan walks into psychiatrist Hildegard Wolf 's Paris office, there is one problem: she already has a patient who says he 's Lucan, the fugitive murderer who bludgeoned his children 's nanny in a botched attempt to kill his wife. As Dr. Wolf sets about deciding which of her patients, if either, is the real Lucan, she finds herself in a fierce battle of wills and an exciting chase across Europe. For someone is deceiving someone, and it may be the good doctor, who, despite her unorthodox therapeutic method (she talks mainly about her own life), has a sinister past, too. Exhibiting Muriel Spark 's boundless imagination and biting wit, Aiding and Abetting is a brisk, clever, and deliciously entertaining tale by one of Britain 's greatest living novelists.

When Barbara Vaughan's fiancé joins an archaeological excursion to the Dead Sea Scrolls, she takes the opportunity to explore the Holy Land. It is 1961, and the nation of Israel is still in its infancy. For Barbara, a half-Jewish Catholic convert, this is a journey of faith, and she ignores warnings not to cross the Mandelbaum Gate from Israel into Jordan. An adventure of espionage and abduction, from pilgrimage to flight, The Mandelbaum Gate is one of Spark's most compelling novels, and won the James Tait Memorial Prize.

From Muriel Spark, the grande dame of literary satire, comes this swift, deliciously witty tale of writerly ambition that recalls her beloved The Prime of Miss Jean Brodie.College Sunrise is a somewhat touche and vaguely disreputable finishing school located, for now, in Lausanne, Switzerland. Rowland Mahler and his wife, Nina, run the school as a way to support themselves while he works, somewhat flatteringly, on his novel. Into Rowland 's creative writing class comes seventeen-year-old Chris Wiley, a red-haired literary prodigy whose historical novel-in-progress, on Mary Queen of Scots, has already attracted the interest of publishers. The inevitable result: keen envy, and a game of cat and mouse fraught with jealousy and attraction, both literary and sexual.

"Long ago in 1945 all the nice people in England were poor, allowing for exceptions," begins The Girls of Slender Means, Dame Muriel Spark's tragic and rapier-witted portrait of a London ladies' hostel just emerging from the shadow of World War II. Like the May of Teck Club itself—"three times window shattered since 1940 but never directly hit"—its lady inhabitants do their best to act as if the world were back to normal: practicing elocution, and jostling over suitors and a single Schiaparelli gown. The novel's harrowing ending reveals that the girls' giddy literary and amorous peregrinations are hiding some tragically painful war wounds. Chosen by Anthony Burgess as one of the Best Modern Novels in the Sunday Times of London, The Girls of Slender Means is a taut and eerily perfect novel by an author The New York Times has called "one of this century's finest creators of comic-metaphysical entertainment."
