# File Type PDF Almost A Miracle The American

Describes the military history of the American Revolution and the grim realities of the eight-year conflict while offering descriptions of the major engagements on land and sea and the decisions that influenced the course of the war.

In this gripping chronicle of America's struggle for independence, award-winning historian John Ferling transports readers to the grim realities of that war, capturing an eight-year conflict filled with heroism, suffering, cowardice, betrayal, and fierce dedication. As Ferling demonstrates, it was a war that America came much closer to losing than is now usually remembered. General George Washington put it best when he said that the American victory was "little short of a standing miracle." Almost a

Miracle offers an illuminating portrait of America's triumph, offering vivid descriptions of all the major engagements, from the first shots fired on Lexington Green to the surrender of General Cornwallis at Yorktown, revealing how these battles often hinged on intangibles such as leadership under fire, heroism, good fortune, blunders, tenacity, and surprise. Ferling paints sharp-eyed portraits of the key figures in the war, including General Washington and other American officers and civilian leaders. Some do not always measure up to their iconic reputations, including Washington himself. The book also examines the many faceless men who soldiered, often for years on end, braving untold dangers and enduring abounding miseries. The author explains why they served and

# File Type PDF Almost A Miracle The American

sacrificed, and sees them as the forgotten heroes who won American independence.

# File Type PDF Almost A Miracle The American

leadership under fire, heroism, good fortune, blunders, tenacity, and surprise. The author paints sharp-eyed portraits of the key figures in the war, including General Washington and other American officers and civilian leaders. Some do not always measure up to their iconic reputations, including Washington himself. Others, such as the quirky, acerbic Charles Lee, are seen in a much better light than usual. The book also examines the many faceless men who soldiered, often for years on end, braving untold dangers and enduring abounding miseries. The author explains why they served and sacrificed, and sees them as the forgotten heroes who won American independence. Ferling's narrative is also filled with compassion for the men who comprised the British army and who, like their American counterparts,

# File Type PDF Almost A Miracle The American

struggled and died at an astonishing rate in this harsh war. Nor does Ferling ignore the naval war, describing dangerous patrols and grand and dazzling naval actions. Finally, *Almost a Miracle* takes readers inside the legislative chambers and plush offices of diplomats to reveal countless decisions that altered the course of this war. The story that unfolds is at times a tale of folly, at times one of appalling misinformation and confusion, and now and then one of insightful and dauntless statesmanship.

Although American independence was no miracle, the timing of the country's independence and its huge scope, both political and territorial, do seem miraculous. In *The Miracle of American Independence* Jonathan R.

# File Type PDF Almost A Miracle The American

Dull reconstructs significant events before, during, and after the Revolutionary War that had dramatic consequences for the future as the colonies sought independence from Great Britain. Without these surprising and unexpected results, Dull maintains, the country would have turned out quite differently. The *Miracle of American Independence* reimagines how the British might have averted or overcome American independence, and how the fledgling country itself could have lost its independence. Drawing on his nearly fifty years of research and a lively imagination, Dull puts readers in a position to consider the American Revolution from the perspective of the European states and their monarchs. This alternative history provides a stimulating reintroduction to one of the

# File Type PDF Almost A Miracle The American

most exciting periods in American and European history, proving that sometimes reality is even stranger and more miraculous than fiction.

Amid a great collection of scholarship and narrative history on the Revolutionary War and the American struggle for independence, there is a gaping hole; one that John Ferling's latest book, *Whirlwind*, will fill. Books chronicling the Revolution have largely ranged from multivolume tomes that appeal to scholars and the most serious general readers to microhistories that necessarily gloss over swaths of Independence-era history with only cursory treatment. Written in Ferling's engaging and narrative-driven style that made books like *Independence* and *The Ascent of George Washington* critical and

# File Type PDF Almost A Miracle The American

commercial successes, Whirlwind is a fast-paced and scrupulously told one-volume history of this epochal time. Balancing social and political concerns of the period and perspectives of the average American revolutionary with a careful examination of the war itself, Ferling has crafted the ideal book for armchair military history buffs, a book about the causes of the American Revolution, the war that won it, and the meaning of the Revolution overall. Combining careful scholarship, arresting detail, and illustrative storytelling, Whirlwind is a unique and compelling addition to any collection of books on the American Revolution.

Bestselling author and radio host Michael Medved recounts some of the most significant events in America's rise to prosperity and power, from the

# File Type PDF Almost A Miracle The American

Victory in War Of  
Independence

writing of the Constitution to the Civil War. He reveals a record of improbabilities and amazements that demonstrate what the Founders always believed: that events unfolded according to a master plan, with destiny playing an unmistakable role in lifting the nation to greatness. Among the stirring, illogical episodes described here: - A band of desperate religious refugees find themselves blown hopelessly off course, only to be deposited at the one spot on a wild continent best suited for their survival - George Washington's beaten army, surrounded by a ruthless foe and on the verge of annihilation, manages an impossible escape due to a freakish change in the weather - A famous conqueror known for seizing territory, frustrated by a slave rebellion and a frozen harbor, impulsively hands

# File Type PDF Almost A Miracle The American

Thomas Jefferson a tract of land that doubles the size of the United States -  
A weary soldier picks up three cigars left behind in an open field and notices the stogies have been wrapped in a handwritten description of the enemy's secret battle plans--a revelation that gives Lincoln the supernatural sign he's awaited in order to free the slaves  
When millions worry over the nation losing its way, Medved's sweeping narrative, bursting with dramatic events and lively portraits of unforgettable, occasionally little-known characters, affirms America as "fortune's favorite," shaped by a distinctive destiny from our beginnings to the present day.

"Funny, bighearted...Miles specializes in giving fully rounded humanity to characters who might elsewhere be

# File Type PDF Almost A Miracle The American

treated as stock figures...pitch-perfect." — New York Times Book Review "Miles is a writer so virtuosic that readers will feel themselves becoming better, more observant people from reading him." — Los Angeles Review of Books A profound new novel about a paralyzed young man's unexplainable recovery—a stunning exploration of faith, science, mystery, and the meaning of life

Rendered paraplegic after a traumatic event four years ago, Cameron Harris has been living his new existence alongside his sister, Tanya, in their battered Biloxi, Mississippi neighborhood where only half the houses made it through Katrina. One stiflingly hot August afternoon, as Cameron sits waiting for Tanya during their daily run to the Biz-E-Bee convenience store, he suddenly and

## File Type PDF Almost A Miracle The American

inexplicably rises up and out of his wheelchair. In the aftermath of this “miracle,” Cameron finds himself a celebrity at the center of a contentious debate about what’s taken place. And when scientists, journalists, and a Vatican investigator start digging, Cameron’s deepest secrets—the key to his injury, to his identity, and, in some eyes, to the nature of his recovery—become increasingly endangered. Was Cameron’s recovery a genuine miracle, or a medical breakthrough? And, finding himself transformed into a symbol, how can he hope to retain his humanity? Brilliantly written as closely observed journalistic reportage and filtered through a wide lens that encompasses the vibrant characters affected by Cameron’s story, *Anatomy of a Miracle* will be read, championed,

# File Type PDF Almost A Miracle The American

and celebrated as a powerful story of our time, and the work of a true literary master.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Almost a Miracle: The American Victory in the War of Independence." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

In the tradition of Fast Food Nation

# File Type PDF Almost A Miracle The American

and The Omnivore's Dilemma, an extraordinary investigation into the human lives at the heart of the American grocery store What does it take to run the American supermarket? How do products get to shelves? Who sets the price? And who suffers the consequences of increased convenience and efficiency? In this alarming exposé, author Benjamin Lorr pulls back the curtain on this highly secretive industry. Combining deep sourcing, immersive reporting, and compulsively readable prose, Lorr leads a wild investigation in which we learn:

- The secrets of Trader Joe's success from Trader Joe himself
- Why truckers call their job "sharecropping on wheels"
- What it takes for a product to earn certification labels like "organic" and "fair trade"
- The struggles entrepreneurs face as

# File Type PDF Almost A Miracle The American

they fight for shelf space, including essential tips, tricks, and traps for any new food business • The truth behind the alarming slave trade in the shrimp industry The result is a page-turning portrait of an industry in flux, filled with the passion, ingenuity, and exploitation required to make this everyday miracle continue to function. The product of five years of research and hundreds of interviews across every level of the industry, *The Secret Life of Groceries* delivers powerful social commentary on the inherently American quest for more and the social costs therein.
