speakers of English. Well-sequenced
lessons in the book correspond over
eight hours of downloadable audio
files covering the entire text. The audio
program provides clear models (both
male and female) to help coach a
standard American accent. The
program is designed to help users

Online Library American Accent Training A Guide To

speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed

Online Library American Accent Training A Guide To

in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more.

Additional topics that often confuse

Online Library American Accent Training A Guide To

ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool."

Online Library American Accent Training A Guide To

Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Online Library American Accent Training A Guide To Speaking And Pronouncing

This is the 3rd edition of the world-acclaimed The American Accent Guide. The American Accent Guide provides comprehensive training on the standard American accent. The materials for this program consist of a book and accompanying streaming

the American accent and have the
basic speaking tools required to
express it. They will also be prepared
to continue building their accent skills
through purposeful listening to the way
that native speakers of American
English communicate. Who is The
American Accent Guide for? Typical

Online Library American Accent Training A Guide To

users of The American Accent Guide include universities, colleges, language schools, speech-language pathologists, ESL instructors, and individual learners. The program is appropriate for students representing all foreign language backgrounds, given that they possess at least a low-

Online Library American
Accent Training A Guide To
intermediate command of the English
language. The Approach The
American Accent Guide introduces the
elements of American English speech
in the most logical sequence,
integrating each of them into natural
contexts. It takes a highly complex
accent system and makes it easy to

Online Library American Accent Training A Guide To

understand. While practicing new speech patterns, the learner gains awareness of the underlying rules of the American English sound system. These insights facilitate continued improvement and increased fluency in standard American English. The Dialect The dialect used in The

Online Library American
Accent Training A Guide To
Speaking And Pronouncing
American English, sometimes referred
to as "General American." This accent
is heard widely throughout parts of the
United States and Canada; it is the
preferred standard in North American
news media and movies. Exercises in
The American Accent Guide reflect the

Online Library American
Accent Training A Guide To
communication style of American
culture, and they incorporate common
idioms and colloquialisms used
frequently in everyday situations. The
Audio The American Accent Guide is
accompanied by clear audio featuring
a mix of male and female speakers of
standard American English. Audio

Online Library American Accent Training A Guide To

track markers are easily located in small circles throughout the text. The entire book is available in audio form, and the program can be followed using the audio independently should the student wish to use it that way.
