Using rich and distinctive prose, American Destiny: Narrative of a Nation, Volume II presents a comprehensive look at the development and growth of the United States since 1865. Based on a political history framework, the book further examines the political, social, economic, and cultural developments that have shaped this country. This elegant, high-quality text offers a low-price alternative to traditional U.S. history survey textbooks.

With the political history of the nation as its organizational framework, American Destiny: Narrative of a Nation describes the development and growth of the United States as the product of the myriad actions, ideas, and forces of the immense variety of individuals and groups who together comprise the American people. In richly detailed prose, the book examines the political, social, economic, and cultural developments that have shaped this country. This elegantly written, concise text offers a lower-price alternative to traditional U.S. history survey textbooks, while maintaining the efficacy of a full four-color map and image program.

Using rich and distinctive prose, American Destiny: Narrative of a Nation presents a comprehensive look at the development and growth of the United States. Based on a political history framework, the book examines the political, social, economic, and cultural developments that have shaped this country.
