"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. " This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way. " Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

The course that gets students talking.

Great texts that motivate students to talk Four-skills syllabus with a clear focus on pronunciation Level-specific features to address learners' different needs Test Generator CD-ROMs Online support, resources, and lesson ideas (Teacher Link)

The course that gets students talking.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

English File's unique, lively and enjoyable lessons are renowned for getting students talking English File, fourth edition, has been built on tried and trusted methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. **NEW TO THIS EDITION** New and updated texts, topics, and listenings, based on feedback from English File teachers Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons Teacher's Resource Centre allows you to manage all English File resources and download teaching materials in one place.
