Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

Comprehensive, challenging, and effective - the best of American Headway for upper-intermediate to advanced students.

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

American Headway 2 builds on the firm grammatical, lexical and functional foundation laid in American Headway 1 . Students' understanding of English is widened and their abilities to use the language for communicative purposes are extended. Integrated skills work is an important feature of the series. All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.

100% new. New Practical English video, featuring authentic interviews with real people. Shorter syllabus for Beginner-level students.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

A new Beginner edition from the world's most trusted ELT course.

Headway is for students who want to use English accurately and fluently, and to communicate with ease in both social and everyday situations. This latest addition to the Headway family offers the beginner and false beginner all the best features of the Headway package plus the newer features of 'Everyday English' sections, an integrated vocabulary syllabus, and revision and self-access sections after every four units.
