language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps bringing vital experience of spoken English, there has never been a better time to learn English.

For the first time, this book explores the role of foreign languages in military alliances, in occupation and in peace building, through detailed case studies from Ireland, Britain, France, Finland, Slovenia, Korea, Bosnia and Cyprus, ranging from the eighteenth century until today. It adopts a multidisciplinary perspective, bringing together academic researchers and

practitioners from the military, and from the museum and interpreting worlds. The book raises key issues about communication, identity and representation in war, and argues that the complex linguistic dimensions of conflict and peace operations are of major relevance to military planners, civilian agencies, museums and the media.

The ELT & Linguistics Dictionary is a companion to the English language as a second / foreign language study. The Dictionary is more likely a reference/guide book for ELT professionals and students who have been taking up EFL/ESL courses at their graduate and post graduate education. So it is; Comprehensive:
