For this twelfth edition of The American Pageant, we have worked together closely to incorporate the most recent scholarship about American history, and to preserve the readability that has long been the Pageant's hallmark. We are often told that the Pageant is the sole American history text that has a distinctive personality -- defined by clarity, concreteness, a consistent chronological narrative, strong emphasis on major themes, avoidance of clutter, access to a variety of interpretive perspectives, and a colorful writing style leavened, as appropriate, with wit. - Preface.

USAs historie indtil 1996

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Barron's, 5-Steps and the others are great resources for reviewing at the end of the year, but Tamm's Textbook Tools workbooks accompany students all year long. They are filled with assignments that follow the regular text throughout the year, all 40 chapters. They can also be used as reviews. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, diagram every chapter, and think things through with the authors. Find TTT on FB, or click author name at the top of this page for other titles in this series.

You may not think that a history book could make you laugh, but THE AMERICAN PAGEANT just might. It's known for being one of the most popular, effective and entertaining texts on American history. Colorful anecdotes, first-person quotations and the authors' trademark wit bring history to life. Learning aids make the book as accessible as it is enjoyable: part openers and chapter-ending chronologies provide a context for the major periods in American history, while primary sources and introductions to key historical figures give you a front row seat to the nation's past.

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a

two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.
