API 580 3 rd Edition Issued. Very few significant changes in the RBI work process are included in the 3 rd edition of API 580; but what did happen is that 46 “shoulds” in the 2 nd edition became “shalls” in the 3 rd edition. So now, if you are going to conduct RBI for your inspection planning business, then you will be well advised to look over the new edition and make sure you are in compliance with all the minimum requirements specified for the RBI work process.
