This is the first book to focus explicitly on how China's rise as a major economic and political actor has affected societies in Southeast Asia. It examines how Chinese investors, workers, tourists, bureaucrats, longtime residents, and adventurers interact throughout Southeast Asia. The contributors use case studies to show the scale of Chinese influence in the region and the ways in which various countries mitigate their unequal relationship with China by negotiating asymmetry, circumventing hegemony, and embracing, resisting, or manipulating the terms dictated by Chinese capital.

Why do people study religion? How have they studied it in the past? How do we study religion today? Is the academic study of religion the same as religious education? These and many other questions are addressed in this engaging introduction to the discipline of religious studies, written by two experienced university teachers. The authors have crafted this book to familiarize novice students with key concepts and terminology in the study of religion. More advanced students will find a varied array of theoretical perspectives and methodological approaches to the field. Topics include: definitions of religion perspectives in the study and teaching of religion how religion began to be studied: traditional perspectives : philosophical and theological how people experience religion: perspectives in the study of religious consciousness and perception : phenomenological and psychological studying religion within communities: Social and cultural perspectives : anthropological, sociological, political and economic judging religion: critical perspectives :feminist approaches, the interaction of popular literature and religion contextual perspectives : historical and comparative. The book encourages students to think critically about the theories and methods presented. Students will find arguments for the strengths and limitations of these approaches, understand connections among religious studies and other intellectual movements, and develop their own ideas of how they might want to go about the study of religion. Summary boxes, a timeline, a glossary and other pedagogic aids help students grasp key concepts, along with a companion website at www.sastor.com.

This book examines popular culture in Indonesia, the world's most populous Muslim nation, and the third largest democracy. It provides a full account of the key trends since the collapse of the authoritarian Suharto regime (1998), a time of great change in Indonesian society more generally. It explains how one of the most significant results of the deepening industrialization in Southeast Asia since the 1980s has been the expansion of consumption and new forms of media, and that Indonesia is a prime example of this development. It goes on to show that although the Asian economic crisis in 1997 had immediate and negative impacts on incumbent governments, as well as the socioeconomic life for most people in the region, at the same time popular cultures have been dramatically reinvigorated as never before. It includes analysis of important themes, including political activism and citizenship, gender, class, age and ethnicity. Throughout, it shows how the multilayered and contradictory processes of identity formation in Indonesia are inextricably linked to popular culture. This is one of the first books on Indonesia's media and popular culture in English. It is a significant addition to the literature on Asian popular culture, and will be of interest to anyone who is interested in new developments in media and popular culture in Indonesia and Asia.

The Korean Charlotte's Web More than 2 million copies sold This is the story of a hen named Sprout. No longer content to lay eggs on command, only to have them carted off to the market, she glimpses her future every morning through the barn doors, where the other animals roam free, and comes up with a plan to escape into the wild;iand to hatch an egg of her own. An English for freedom, individuality and motherhood featuring a plucky, spirited heroine who rebels against the tradition-bound world of the barnyard, The Hen Who Dreamed She Could Fly is a novel of universal resonance that also opens a window on Korea, where it has captivated millions of readers. And with its array of animal characters(the hen, the duck, the rooster, the dog, the weasel;it calls to mind such classics in English as Animal Farm and Charlotte's Web. Featuring specially-commissioned illustrations, this first English-language edition of Sun-mi Hwang's fable for our times beautifully captures the journey of an unforgettable character in world literature.

Membangun Dialog Inklusif; Kajian Bahasa, Agama, dan Identitas dalam Dinamika Media Penulis : Muhamad War'i, M,Hum Ukuran : 14 x 21 cm ISBN : 978-623-309-314-9 Terbit : Desember 2020 Sinopsis : Berbagai miskonsepsi seputar tema perdebatan dipengaruhi oleh terpasungnya makna bahasa pada referensi tertentu yang dalam beberapa hal saling bertolak belakang dengan yang dipahami oleh kelompok yang lain. Istilah jihad misalnya, seringkali dimaknai berbeda-beda oleh kelompok-kelompok keagamaan yang ada. Perbedaan makna itu dalam beberapa hal meruncing pada tindakan-tindakan anarkis bahkan hingga aksi terorisme. Berbagai problem yang muncul dalam dinamika media tersebut menuntut kita untuk mencari jalan keluar. Buku ini hadir sebagai respon terhadap berbagai fenomena yang muncul dari dinamika media yang begitu deras. Melalui pengamatan dan penelitian yang mendalam, penulis melihat bahwa salah satu hal mendasar yang menjadi dampak serius perkembangan media masa adalah eksklusivitas dalam hal dialog. Artinya, minimnya dialog yang terbuka menjadi salah satu penyebab lahirnya berbagai polemik dalam dinamika media. Oleh sebab itu buku ini menawarkan suatu upaya menuju dialog inklusif. Sebuah paradigma yang diharapkan mampu menjadi alternatif pemahaman masyarakat dalam hal bahasa, agama, dan identitas. Selamat membaca! Happy shopping & reading Enjoy your day, guys
