Bad Boys (1995) - IMDb
Bad Boy is a book that, had it been set in the U.S. instead of in the U.K. would have ended on page three. A woman comes into the Eastvale police station, looking for DCI Alan Banks who was once her neighbor. The woman's daughter has come home for a visit and while cleaning the daughter's room, the woman discovers a hand gun hidden away.

Bad Boy Fireworks is the top brand when it comes to retail and display fireworks in New Zealand! We pride ourselves on providing the best quality fireworks on the market and we always strive to bring our customers products that push the limits of design and innovation!

New York Times bestselling author Walter Dean Myers traveled back to his roots in this memoir that is gripping, funny, and ultimately unforgettable. Don't miss this memoir by a former National Ambassador of Books for Young People! As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Here, in his own words, is the story of one of the most important voices of our time.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

From New York Times bestselling author Peter Robinson comes this mesmerizing story-within-a-story—that will thrill his fans and bring him many new readers. A distraught woman arrives at the Eastvale police station desperate to speak to Detective Chief Inspector Alan Banks. But Banks is abroad, and the woman's revelation of a loaded gun hidden in her daughter Erin's bedroom leads to a shocking fatality when a police armed-response team breaks into her house. The fallout will have dark consequences for Banks and his partner, DI Annie Cabbot. It turns out that Erin's best friend is Banks' own daughter, Tracy . . . who was last seen in the company of the weapon's actual owner, a very bad boy indeed. Now that his child is on the run with a psychopath, Banks finds himself caught in a bloody tangle of betrayal and murder. But the rogue DCI is a bit of a bad boy himself, and he'll freely risk his life and career in the cause of love—and vengeance. Thrilling, harrowing, and utterly compelling, Bad Boy showcases Peter Robinson's masterful writing.

From the beginning, Jim Thompson knew he was going to catch hell no matter what he did. And during a childhood spent at the mercy of a father whose schemes put him on the wrong side of the law as often as the right, and a grandfather who knew the bad parts of town like the back of his hand, young Jim learned sin better than any writer had before. From his rabble-rousing adolescencein the American Midwest, to wasted teenage years in the seedy underbelly of the hotel industry, to Thompson's chilling encounter with the real-life inspiration of THE KILLER INSIDE ME, BAD BOY offers a fascinating glimpse at the formative years of the man who would become one of the most famous authors of modern American Noir, in the autobiography-as-novel that follows the birth of the legend himself in the signature style Thompson made famous.

Failure is an Option ... Just not the only one. The Bad Boy's adventures continue with more wild runaways, conniving, thieving, and manipulating. So does the side-aching laughter, as he tries in vain to cover-up his mischievous ways! As the antics play out, the Bad Boy is blissfully unaware of the pain and sorrow being buried deeper and deeper inside of him. How long will he wander the streets, oblivious to life's true meaning? Join Johnny-Boy and his friends as twelve more short tales unfold directly from the Castle Hill section of the Bronx.

When a handsome senior boy enters their mix, friends Josie, Nicolette, and Aviva soon find themselves in questionable situations where each girl must make the right decision before their personal sacrifices become too great.

A stand-alone novel in the USA Today bestselling True North world. Dylan is my best friend, and the only person in my life who understands me. He doesn't mind my social awkwardness or my weird history. The only glitch? He doesn't know that I've been hopelessly, desperately in love with him since the first day we picked apples together in his family's orchard. But I know better than to confess. Now that we're both in college together, I'm seeing a new side of him. College Dylan drinks and has a lot of sex. None of it with me. Until the night I foolishly ask him to tutor me in more than algebra..and he actually says yes. One crazy night sets our friendship on fire. But now my heart lies in ashes... **Interconnected STANDALONE novel** One of my favorites! This book has it all. Feels, check! Steam, check! Characters you will LOVE! Don't miss Heartland, it's so, so good! New York Times bestselling author Kendall Ryan I'm crazy about this series. EVERYTHING IS WOW. Angie's Dreamy Reads A barn burner of a romance with depth and complexity. The Daily Waffle This series has inspired me to one day visit Vermont and discover the beautiful scenery in their Fall, to taste the beauty of real maple syrup and maybe visit a brewery or two. Tammy's Timeout It's the perfect balance of sweetness to tannins with a big scoop of comfort food on the side—and I can't wait for another helping! Totally Box Bowen has created a pretty fantastic world in small-town Vermont, and I can't imagine who wouldn't enjoy a virtual trip there. Sasha Says It will have you wanting to pack a bag in search of a place where the cider is delicious, the banter is hilarious and the men are the stuff we readers dream about. I'm relocating. T. When a hunky contractor, who has a reputation for conning the ladies, turns up dead, Skye Denison, deciding that even bad boys deserve justice, sets out to find the killer while dealing with an overly amorous police chief, a dodgy brother, and a haunted house. Original.

Publisher Fact Sheet A chilling account of a serial killer whose cruel & tortuous murders while on parole from the Broomstick Murders changed the third largest criminal justice system in the United States.

This is the story of a bad boy. Well, not such a very bad, but a pretty bad boy; and I ought to know, for I am, or rather I was, that boy myself. Lest the title should mislead the reader, I hasten to assure him here that I have no dark confessions to make. I call my story the story of a bad boy, partly to distinguish myself from those faultless young gentlemen who generally figure in narratives of this kind, and partly because I really was not a cherub. I may truthfully say I was an amiable, impulsive lad, blessed with fine digestive powers, and no hypocrite. I didn't want to be an angel and with the angels stand; I didn't think the missionary tracts presented to me by the Rev. Wibird Hawkins were half so nice as Robinson Crusoe; and I didn't send my little pocket-money to the natives of the Feejee Islands, but spent it royally in peppermint-drops and taffy candy. In short, I was a real human boy, such as you may meet anywhere in New England, and no more like the impossible boy in a storybook than a sound orange is like one that has been sucked dry. But let us begin at the beginning.
