factors which may contribute to biased results. They review the history of the adaptation and adoption of intelligence testing; evaluate the heredity-environment debate; discuss the specific performance factors which apply to IQ testing of those in minority ethnic groups. This practical book offers the practitioner a good sense of what can be done to make testing and education serve the needs of all students fairly and validly, whatever their background.

Woodcock-Johnson® IV: Recommendations and Strategies is a guide to understanding and working with the new edition of the W-J®-IV battery, one of the most highly regarded instruments for measuring cognitive ability, oral language skill, and achievement. Written specifically for educators, school psychologists, and clinical psychology professionals, this guide provides a wide variety of educational resources, along with summaries of proven methods and techniques for implementing examiner recommendations. In addition to a clear, concise overview of the use and interpretation of the W-J®-IV, readers gain access to customizable summaries of methods and techniques that are frequently included in the recommendations or diagnostic sections of reports. These summaries may be attached to a report so that teachers, educational therapists, or parents are encouraged to implement the recommended procedures. Woodcock-Johnson® IV: Recommendations and Strategies provide practical, step-by-step instructions for developing evidence-based and RTI-based educational recommendations and reports. Inside, you'll find: Educational recommendations for language, reading, mathematics, memory, attention, and behavior management Strategies for creating measurable goals and objectives based on W-J®-IV results Suggestions for discussing score summaries with parents and family members Customizable technique summaries for use in reporting and record-keeping In addition to comprehensive explanations and recommendations, the CD included with this book provides customizable spreadsheets, worksheets, and report-writing templates that make it easy to work with the new W-J®-IV right away. Woodcock-Johnson® IV: Recommendations and Strategies is a must-have resource for psychologists, educators, clinicians, and diagnosticians who work with people from age two and up.

Language policy is a topic of growing importance around the world, as issues such as the recognition of linguistic diversity, the establishment of official languages, the status of languages in educational systems, the status of heritage and minority languages, and speakers' legal rights have come increasingly to the forefront. One fifth of the American population do not speak English as their first language. While race, gender and religious discrimination are recognized as illegal, the US does not currently accord the same protections regarding language; discrimination on the basis of language is accepted, and even promoted, in the name of unity and efficiency. Setting language within the context of America's history, this book explores the diverse range of linguistic inequalities, covering voting, criminal and civil justice, education, government and public services, and the workplace, and considers how linguistic differences challenge our fundamental ideals of democracy, justice and fairness.

February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications; September issue includes List of depository libraries; June and December issues include semiannual index

A one-of-a-kind resource for evaluators using the Woodcock-Johnson® III The Woodcock-Johnson® III is one of the most widely used instruments for assessing both cognitive abilities and achievement in children and adolescents. Woodcock-Johnson® III: Reports, Recommendations, and Strategies is the only reference to provide valuable guidelines for preparing useful recommendations and writing effective, descriptive psychological and educational reports based on WJ III® scores, tasks analysis, and error patterns. Featuring the most up-to-date information available on the WJ III®, this essential resource offers an overview of the WJ III® scores and interpretive information, along with a review of the clusters, and tests. Numerous examples of diagnostic reports that depict a variety of common student learning problems are included, illustrating applications of the WJ III® in both educational and clinical settings. Drs. Nancy Mather and Lynne Jaffe also provide a wide variety of educational recommendations, along with summaries of proven methods and techniques for implementing successful examiner recommendations, which can easily be attached to a report. WJ III® examiners will find this volume invaluable in preparing psychoeducational reports about children's abilities, and teachers and educational therapists will find it helpful in converting recommendations into measurable goals and objectives for monitoring students' progress.
