Blackberries are very distinctive cell phones; however, most people have only brushed upon the surface once they have read through the owner's manual and have used it for a few hours. This ebook is designed to provide you with a handful of tips, tricks, and hacks that you can use with your Blackberry. It is literally an essential ebook for any Blackberry owner to read! In an attempt to be fair and honest: The section of this ebook entitled "How To Handle Blackberry Water Damage" has similar information that is contained in my other ebook "How To Save A Wet Cell Phone: Preventing Water Damage". Once again, the information is similar, but not even relatively close to being identical. I just figured that I'd let you know just in case you had already purchased the other ebook, or are going to purchase it in the future, and notice that the steps are similar.
