This manual contains in-depth maintenance, service and repair information for the BMW 3 Series, E90, E91, E92, E93.

This Bentley Manual contains in-depth maintenance, service and repair information for the BMW 3 Series from 2006 to 2010. The aim throughout has been simplicity and clarity, with practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional or a do-it-yourself BMW owner, this manual helps you understand, care for and repair your BMW.

Since its introduction in 1975, the BMW 3-series has earned a reputation as one of the world's greatest sports sedans. Unfortunately, it has also proven one of the more expensive to service and maintain. This book is dedicated to the legion of BMW 3-series owners who adore their cars and enjoy restoring, modifying, and maintaining them to perfection; its format allows more of these enthusiasts to get out into the garage and work on their BMWs-and in the process, to save a fortune. Created with the weekend mechanic in mind, this extensively illustrated manual offers 101 projects that will help you modify, maintain, and enhance your BMW 3-series sports sedan. Focusing on the 1984-1999 E30 and E36 models, 101 Performance Projects for Your BMW 3-Series presents all the necessary information, covers all the pitfalls, and assesses all the costs associated with performing an expansive array of weekend projects.

A practical restoration manual on the E36, the 3 Series BMWs built between 1990 & 1999. Covers all models from the 316 compact to the M3. Advice is given on acquiring a good pre-owned example plus restoring & modifying engines, bodywork, trim, electrics, suspension & mechanical parts. Detailed information on Alpina & M3 cars. A total of 148 fully illustrated colour and black & white

BMW's Bavarian blue and white propeller logo harks back to its early twentieth-century roots as an aircraft engine manufacturer. How this venerable company weathered two world wars, moved from aircraft to motorcycles and, finally, to the cars that would provide its greatest glory is the remarkable story recounted in this book. With unique access to BMW's factories and archives, author Graham Robson gives readers an inside look at how the great German automaker works and how its methods have evolved over the decades. Visiting factories throughout Germany and in the United States he offers readers a rare, behind the scenes, nuts-and-bolts account of how BMW produces its famed models. Illustrated with rare photographs from BMW's own archives, this book constitutes an unprecedented tour of the history and culture of one of the world's great automakers.

The BMW 4 Series Service Manual: 2014-2016 contains in-depth maintenance, service and repair information for the BMW 4 Series from 2014 to 2016. The aim throughout has been simplicity and clarity, with practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional or a do-it-yourself BMW owner, this manual helps you understand, care for and repair your 4 Series.The do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information.
