A U.S. senator, leading the fight against money in politics, chronicles the long shadow corporate power has cast over our democracy. In *Captured*, U.S. Senator and former federal prosecutor Sheldon Whitehouse offers an eye-opening take on what corporate influence looks like today from the Senate Floor, adding a first-hand perspective to Jane Mayer's *Dark Money*. Americans know something is wrong in their government. Senator Whitehouse combines history, legal scholarship, and personal experiences to provide the first hands-on, comprehensive explanation of what's gone wrong, exposing

jury, the Constitution's last bastion for ordinary citizens; and to create a corporate "alternate reality" on public health and safety issues like climate change. Captured shows that in this centuries-long struggle between corporate power and individual liberty, we can and must take our American government back into our own hands.

A leading member of the Senate Judiciary Committee "spells out, in considerable detail, the extent of corporate influence over a variety of issues" in national politics (The New Yorker) As a U.S. senator

and former federal prosecutor, Sheldon Whitehouse has had a front-row seat for the spectacle of dark money in government. In his widely praised book *Captured*, he describes how corporations buy influence over our government— not only over representatives and senators, but over the very regulators directly responsible for enforcing the laws under which these corporations operate, and over the judges and prosecutors who are supposed to be vigilant about protecting the public interest. In a case study that shows these operations at work, Whitehouse reveals how fossil fuel companies have held any

regulation related to climate change at bay. The problem is structural: as Kirkus Reviews wrote, “many of the ills it illuminates are bipartisan.” This paperback edition features a new preface by the author that reveals how corporate influence has taken advantage of Donald Trump’s presidency to advance its agenda—and what we can do about it.

democracy and laws, and to the courage, optimism and sacrifice that ennoble our great American experiment. "Throughout his years in public service, Senator Sheldon Whitehouse has collected fresh and timeless insights, advice, and inspiration from a unique array of wise men and women. While partisanship and political infighting plague Washington, Sheldon's life handbook will remind every reader--regardless of political persuasion--of America's core values, and of our own better natures. On Virtues couldn't have come at a better time for our country."  
--President William Jefferson Clinton "My

Some of us have been here before. Many people living today in America and around the world have direct experience with countries where an autocrat has seized control. Others have seen charismatic, populist leaders come to power within democracies and dramatically change the rules of the road for the public, activists, and journalists alike. In *Rules for Resistance*, writers from Russia, Turkey, India, Hungary, Chile, China, Canada, Italy, and elsewhere tell Americans what to expect under our own new regime, and give us

## Read PDF Captured The Corporate Infiltration Of American Democracy

guidance for living—and for resisting—in the Trump era. Advice includes being on the watch for the prosecution of political opponents, the use of libel laws to attack critics, the gutting of non-partisan institutions, and the selective application of the law. A special section on the challenges for journalists reporting on and under a leader like Donald Trump addresses issues of free speech, the importance of press protections, and the critical role of investigative journalists in an increasingly closed society. An introduction by ACLU legal director David Cole looks at the crucial role institutions

have in preserving democracy and resisting autocracy. A chilling but necessary collection, Rules for Resistance distills the collective knowledge and wisdom of those who “have seen this video before.”

The former special assistant for legislative affairs to President Clinton, president of the American Constitution Society, and author of the “damn fine” (Elle) Under the Bus shows how the left can undo the right’s damage and take the country back Despite representing the beliefs of a minority of the American public on many issues, conservatives are in

## Read PDF Captured The Corporate Infiltration Of American Democracy

power not just in Washington, DC, but also in state capitals and courtrooms across the country. They got there because, while progressives fought to death over the nuances of policy and to bring attention to specific issues, conservatives focused on simply gaining power by gaming our democracy. They understood that policy follows power, not the other way around. Now, in a sensational new book, Caroline Fredrickson—who has had a front-row seat on the political drama in DC for decades while working to shape progressive policies as special assistant for legislative affairs to President Clinton,

transparency and fairness in our political system, and Fredrickson shows us how.

In his own bestselling tradition of *Eye of the Needle* and *The Key to Rebecca*, Ken Follett delivers a breathtaking novel of suspense set in the most dangerous days of World War II. D-Day is approaching. They don't know where or when, but the Germans know it'll be soon, and for Felicity "Flick" Clariet, the stakes have never been higher. A senior agent in the ranks of the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of

Britain's most effective operatives in Northern France. She knows that the Germans' ability to thwart the Allied attack depends upon their lines of communications, and in the days before the invasion no target is of greater strategic importance than the largest telephone exchange in Europe. But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is

## Read PDF Captured The Corporate Infiltration Of American Democracy

now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. There are secrets Flick does not know—secrets within the German ranks, secrets among her hastily recruited team, secrets among those she trusts the most. And as the hours tick down to the point of no return, most daunting of all, there are secrets within herself. . . . Filled with the powerful storytelling,

networked age, KISMET challenges us to take stock of how technology shapes our desires and what it means to "settle."

"Superbly written and breathtakingly researched, *The Volunteer* smuggles us into Auschwitz and shows us--as if watching a movie--the story of a Polish agent who infiltrated the infamous camp, organized a rebellion, and then snuck back out. We are squarely confronted with the other human truth: ordinary people will happily risk their lives to help others. Fairweather has dug up a story of incalculable value and

## Read PDF Captured The Corporate Infiltration Of American Democracy

delivered it to us in the most compelling prose I have read in a long time."

--Sebastian Junger, bestselling author of *The Perfect Storm* and *Tribe* The incredible true story of a Polish resistance fighter's infiltration of Auschwitz to sabotage the camp from within, and his death-defying attempt to warn the Allies about the Nazis' plans for a "Final Solution" before it was too late. To uncover the fate of the thousands being interred at a mysterious Nazi camp on the border of the Reich, a thirty-nine-year-old Polish resistance fighter named Witold Pilecki volunteered for an audacious

## Read PDF Captured The Corporate Infiltration Of American Democracy

mission: assume a fake identity, intentionally get captured and sent to the new camp, and then report back to the underground on what had happened to his compatriots there. But gathering information was not his only task: he was to execute an attack from inside--where the Germans would least expect it. The name of the camp was Auschwitz. Over the next two and half years, Pilecki forged an underground army within Auschwitz that sabotaged facilities, assassinated Nazi informants and officers, and gathered evidence of terrifying abuse and mass murder. But as he pieced together the

## Read PDF Captured The Corporate Infiltration Of American Democracy

horrifying truth that the camp was to become the epicenter of Nazi plans to exterminate Europe's Jews, Pilecki realized he would have to risk his men, his life, and his family to warn the West before all was lost. To do so, meant attempting the impossible--an escape from Auschwitz itself. Completely erased from the historical record by Poland's post-war Communist government, Pilecki remains almost unknown to the world. Now, with exclusive access to previously hidden diaries, family and camp survivor accounts, and recently declassified files, Jack Fairweather offers an unflinching portrayal of survival, revenge

## Read PDF Captured The Corporate Infiltration Of American Democracy

and betrayal in mankind's darkest hour. And in uncovering the tragic outcome of Pilecki's mission, he reveals that its ultimate defeat originated not in Auschwitz or Berlin, but in London and Washington.

NEW YORK TIMES BESTSELLER • From the veteran political journalist and 60 Minutes correspondent, a deep dive into the history, evolution, and current state of the American presidency, and how we can make the job less impossible and more productive—featuring a new post-2020-election epilogue “This is a great gift to our sense of the actual

## Read PDF Captured The Corporate Infiltration Of American Democracy

presidency, a primer on leadership.”—Ken Burns Imagine you have just been elected president. You are now commander-in-chief, chief executive, chief diplomat, chief legislator, chief of party, chief voice of the people, first responder, chief priest, and world leader. You’re expected to fulfill your campaign promises, but you’re also expected to solve the urgent crises of the day. What’s on your to-do list? Where would you even start? What shocks aren’t you thinking about? The American presidency is in trouble. It has become overburdened, misunderstood, almost impossible to do. “The

## Read PDF Captured The Corporate Infiltration Of American Democracy

problems in the job unfolded before Donald Trump was elected, and the challenges of governing today will confront his successors," writes John Dickerson. After all, the founders never intended for our system of checks and balances to have one superior Chief Magistrate, with Congress demoted to "the little brother who can't keep up." In this eye-opening book, John Dickerson writes about presidents in history such as Washington, Lincoln, FDR, and Eisenhower, and in contemporary times, from LBJ and Reagan and Bush, Obama, and Trump, to show how a complex job has been done, and why we

## Read PDF Captured The Corporate Infiltration Of American Democracy

need to reevaluate how we view the presidency, how we choose our presidents, and what we expect from them once they are in office. Think of the presidential campaign as a job interview. Are we asking the right questions? Are we looking for good campaigners, or good presidents? Once a candidate gets the job, what can they do to thrive? Drawing on research and interviews with current and former White House staffers, Dickerson defines what the job of president actually entails, identifies the things that only the president can do, and analyzes how presidents in history have managed the

## Read PDF Captured The Corporate Infiltration Of American Democracy

burden. What qualities make for a good president? Who did it well? Why did Bill Clinton call the White House “the crown jewel in the American penal system”? The presidency is a job of surprises with high stakes, requiring vision, management skill, and an even temperament. Ultimately, in order to evaluate candidates properly for the job, we need to adjust our expectations, and be more realistic about the goals, the requirements, and the limitations of the office. As Dickerson writes, “Americans need their president to succeed, but the presidency is set up for failure. It doesn't have to be.”
