It is my opinion (mind you this opinion is based solely on this book, as I have not read anything else by Dan Simmons, but Carrion Comfort is the novel that put him on the map, so I'm judging it as a good example of his work) that Dan Simmons is crap at pacing, and he is absolutely in love with his own voice.

I selected this book because another reviewer had written that he thought Carrion Comfort was the best that Dan Simmons had penned. I would certainly rate it close up there with his Magnum Opus Hyperion and Endymion. It was that good and that is saying something.

ⓘCARRION COMFORT is one of the three greatest horror novels of the 20th century. Simple as that.ⓘ --Stephen King "Epic in scale and scope but intimately disturbing, CARRION COMFORT spans the ages to rewrite history and tug at the very fabric of reality. A nightmarish chronicle of predator and prey that will shatter your world view forever. A true classic." --Guillermo del Toro "CARRION COMFORT is one of the scariest books ever written. Whenever I get the question asked Who's your favorite author? my answer is always Dan Simmons." --James Rollins "One of the few major reinventions of the vampire concept, on a par with Jack Finney's Invasion of the Body Snatchers, Richard Matheson's I Am Legend, and Stephen King's Salem's Lot. --David Morrell THE PAST... Caught behind the lines of Hitler's Final Solution, Saul Laski is one of the multitudes destined to die in the notorious Chelmo extermination camp. Until he rises to meet his fate and finds himself face to face with an evil far older, and far greater, than the Nazi's themselves! THE PRESENT... Compelled by the encounter to survive at all costs, so begins a journey that for Saul will span decades and cross continents, plunging into the darkest corners of 20th century history to reveal a secret society of beings who may often exist behind the world's most horrible and violent events. Killing from a distance, and by darkly manipulative proxy, they are people with the psychic ability to 'use' humans: read their minds, subjugate them to their wills, experience through their senses, feed off their emotons, force them to acts of unspeakable aggression. Each year, three of the most powerful of this hidden order meet to discuss their ongoing campaign of induced bloodshed and deliberate destruction. But this reunion, something will go terribly wrong. Saul's quest is about to reach its elusive object, drawing hunter and hunted alike into a struggle that will plumb the depths of mankind's attraction to violence, and determine the future of the world itself!ⓘ

Carrion Comfort penetrates the darkest recesses of the 20th century, as one man seeks to justify his belief that a secret society of powerful beings is behind many of the world's most horrific catastrophes. Ranking among the greatest reinventions of the vampire legend, this classic novel explores humanity's attraction to violence and what it means for our future.

Three elderly friends, who possess supernatural powers and who feed off of emotions generated during the murders they orchestrate, meet every year to discuss their game--an ongoing competition of mass murder and vampirism

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood against an arcane abomination who owns the night...

When Paha Sapa, a young Sioux warrior, "counts coup" on General George Armstrong Custer as Custer lies dying on the battlefield at the Little Bighorn, the legendary general's ghost enters him - and his voice will speak to him for the rest of his event-filled life. Seamlessly weaving together the stories of Paha Sapa, Custer, and the American West, Dan Simmons depicts a tumultuous time in the history of both Native and white Americans. Haunted by Custer's ghost, and also by his ability to see into the memories and futures of legendary men like Sioux war-chief Crazy Horse, Paha Sapa's long life is driven by a dramatic vision he experienced as a boy in his people's sacred Black Hills. In August of 1936, a dynamite worker on the massive Mount Rushmore project, Paha Sapa plans to silence his ghost forever and reclaim his people's legacy-on the very day FDR comes to Mount Rushmore to dedicate the face.

The World Fantasy Award winner by the author of the Hyperion Cantos and Carrion Comfort: An American finds himself encircled by horrors in Calcutta. Praised by Dean Koontz as "the best novel in the genre I can remember," Song of Kali follows an American magazine editor who journeys to the brutally bleak, poverty-stricken Indian city in search of a manuscript by a mysterious poet;but instead is drawn into an encounter with the cult of Kali, goddess of death. A chilling voyage into the squalor and violence of the human condition, this novel is considered by many to be the best work by the author of The Terror, who has been showered with accolades, including the Bram Stoker Award, the International Horror Guild Award, and the Hugo Award.

A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of The Terror. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley must be dead, but his mother refuses to believe it and pays the trio to bring him home. Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, The Abominable is Dan Simmons at his spine-chilling best.

From a ghostly Civil War battlefield to a combat theme park in Vietnam, from the omnipotent brain of an autistic boy to a shocking story of psychic vampires, journey into a world of fear and mystery, a chilling twilight zone of the mind. A woman returns from the dead with disastrous results for the family who loves her. . . . An old-fashioned barbershop is the site of a medieval ritual of bloody terror. . . . During a post-apocalyptic Christmas celebration, a messenger from the South brings tidings of great horror. . . . Includes the following stories: (The River Styx Runs Upstream) (Eyes I Dare Not Meet in Dreams) (Vanni Fucci Is Alive and Well and Living in Hell) (Vexed to Nightmare by a Rocking Cradle) (Remembering Siri) (Metastasis) (The Offering) (E-Ticket to Namland) (Iverson's Pits) (Shave and a Haircut, Two Bites) (The Death of the Centaur) (Two Minutes and Forty-Five Seconds) (Carrion Comfort)

A provocative dystopian thriller set in a future that seems scarily possible, Flashback proves why Dan Simmons is one of our most exciting and versatile writers. The United States is near total collapse. But 87% of the population doesn't care: they're addicted to flashback, a drug that allows its users to re-experience the best moments of their lives. After ex-detective Nick Bottom's wife died in a car accident, he went under the flash to be with her; he's lost his job, his teenage son, and his livelihood as a result. Nick may be a lost soul but he's still a good cop, so he is hired to investigate the murder of a top governmental advisor's son. This flashback-addict becomes the one man who may be able to change the course of an entire nation turning away from the future to live in the past.
