This Fifth Edition retains the practice-oriented approach and informal writing style that made the previous editions so popular. Presents the techniques and methods used in the day-to-day running of a small business enterprise, with updated and extended coverage of the business plan and the growing use of microcomputers. Other topics include franchising, operations, marketing and the role of the government.

With a unique balance and depth of coverage across all age groups, this book examines the physical and intellectual changes humans undergo from conception through death. Kaplan builds on basic themes of life-span development, allowing readers to examine the entire human life experience, whereas many life-span books are weighted in childhood and adolescence. And by putting the experiences into context--such as the family, school and community, and culture--the author is able to include a level of applied information that consistently captures student interest

The leading textbook in Emergency Medicine now has expanded coverage with 308 chapters, new contributors and new editors. As an American College of Emergency Physicians/Mcgraw-Hill publication, the Study Guide is the defining source for clinical EM management and for those preparing for board or recertification exams. New 2-color figures have been added along with additional tables and algorithms. A new compact at last delivers stunning EM pictures in full color. Many sections have been completely revised including Toxicology (Herbals and Vitamins) and Pediatrics (Respiratory Distress) as well as brand new sections such as Nontraumatic Musculo-skeletal Disorders and Special Patients. Emergency Medicine is changing, but "Tintinalli" remains the authoritative diagnosis and management tool for all emergency conditions.
