This beginner's French textbook offers a traditional approach, with a focus on a functional view of language, stress on culture, and the use of authentic material. It uses a large number of texts on contemporary topics as a base for listening and reading practice, and seeks to develop

Read Online Chez Nous Branche Sur Le Monde

students' writing and speaking skills by means of carefully sequenced activities leading to self-expression. It presents grammar gradually, and in the context of authentic texts and actual spoken usage.
