Edna St. Vincent Millay (1892-1950), winner in 1923 of the second annual Pulitzer Prize for Poetry, was a daring, versatile writer whose work includes plays, essays, short stories, songs, and the libretto to an opera that premiered at New York's Metropolitan Opera House to rave reviews. into traditional poetic forms, bringing new hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. In the 1920s and '30s, Millay was considered a spokesperson for personal freedom in America, particularly for women, and we turn to her lines to illuminate the social history of the period and the Bohemian lifestyle she and her friends enjoyed. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss,

betrayal, compassion for one another, social equality, patriotism, and the stewardship of the natural world. Collected Poems features Millay's incisive and impassioned lyric poetry and sonnets, many of which are considered among the finest in the language, as well as the poet's last volume, *Mine the Harvest*, compiled and published in 1956 by her sister Norma Millay.

An authorized portrait of the Pulitzer Prize-winning poet draws on Millay's intimate diary, letters, and other papers to capture her flamboyant and turbulent life.

An indispensable collection of the groundbreaking poet's most masterful and innovative work, celebrating a bold early voice of female liberation, independence, and queer sexuality—featuring a new introduction by poet Olivia Gatwood, author of *Life of the Party* Edna St. Vincent Millay defined a generation as one of the most critically acclaimed poets of the Modernist era. Her work pushed boundaries within the literary canon for its lyrical expression of female embodiment and progressive feminist politics, and she was honored as only the third woman to be awarded the Pulitzer Prize for Poetry. Poetry of Edna St. Vincent Millay demonstrates Millay's legacy and influence on contemporary poetry. Sometimes satirical, often sharp, and always striking, the poems in this collection span Millay's remarkable career, from the success of *Renascence and Other Poems* to the sting of *A Few Figs from Thistles*, and *Second April*, as well as "The Ballad of the Harp-Weaver" and eight sonnets from the early twenties. Millay's incandescent poetry continues to inspire today as broadly and deeply as during her lifetime. The Modern Library Torchbearers series features women who wrote on their own terms, with boldness, creativity, and a spirit of resistance. AMERICAN INDIAN STORIES • THE AWAKENING • THE CUSTOM

poet's variations in sonnet structure. Here is the voice of Millay, whose prophetic vision, devotion to freedom, and intellectual daring combine with her mastery of the sonnet form to speak eloquently for the human spirit.

Praised by poets and critics ranging from A. E. Housman and Thomas Hardy to Edmund Wilson, Edna St. Vincent Millay's bold, exquisite poems take their place among the enduring verse of the twentieth century. Claiming a lyric tradition stretching back to Sappho and Catullus and making it very much her

own, Millay won over her contemporaries—and readers ever since—with her passion, erotic candor, formal elegance, and often mischievous wit. J. D. McClatchy's introduction and selections offer new and surprising insights into Millay's achievement. Included are her most beloved and justly admired poems, such as the wry bohemian anthem "Recuerdo" and the sonnet sequence Fatal Interview, the poetic record of a love affair that is presented in its entirety. McClatchy has also chosen works that extend our sense of Millay's range: translations, her play Aria da Capo, and excerpts from her libretto The King's Henchman. Millays frank attitude toward sexuality along with immortal lines such as "My candle burns at both ends" solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume, Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts, poems, prose, and correspondence. The poems, appearing as they were printed in their first editions, are complemented by Jacksons extensive, illuminating notes, which draw on archival sources and help situate her work in its historical and literary context.
