In this acclaimed early novel New York Times bestselling author Luanne Rice takes readers on an intensely moving journey through the intimate terrain of a rapturous marriage in sudden jeopardy—and follows one woman's courageous search to find her way when everything, even her heart, seems lost.... Georgie Symonds didn't think anything could shake her perfect marriage. She and Nick were meant for each other, everyone said so, and their life on the Connecticut shore, among Georgie's close-knit family, is picture-perfect. But lately Nick has been consumed with his job on Wall Street, and Georgie finds herself plagued with suspicions too awful to contemplate. To distract herself, she plunges into her work with the Swift Observatory, examining the stories of people whose lives have been changed by unexpected tragedy. But it's when a handsome stranger arrives on her doorstep that Georgie learns firsthand that when your dreams are in danger of collapsing, it's time to create new ones....

Determined to hold on to her virtue until she is married, high school senior Mary Jane finds it nearly impossible when the cutest boy in school, Jackson House, begins to flirt with her and her very first love begins to bloom. Reprint.

He's the king of the Upper East Side. A playboy with a penchant for fast cars and beautiful girls. And I just woke up beside him... In a perfect world, I would never have gone to one of the Delaney brothers' fabled summer parties. He wouldn't have kissed me. And he wouldn't be making my body do wicked, beautiful things when he calls out my name or touches me. Thank god the world's not perfect. But Bennett Delaney is. He's filthy rich and arrogant. So achingly gorgeous that my heart skips a beat when he looks at me. I'm the daughter of his family's nanny- turned-housekeeper. The scholarship student from Queens. The girl who's had a thing for him her whole life. The one currently tangled up in his sheets. Again. I know I shouldn't get attached. That this might end as quickly as it started. That falling in love with Bennett is wrong. I know all this but my heart? It's already his. *THIS LOVE is the first book in the THIS LOVE trilogy

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
