Zeus gave her one simple job: Kill every human. Atropos--daughter of Zeus and the third goddess of Fate from Greek mythology --spends her eternal life snipping human lifelines when their mortal lives are over. As if being a killer doesn't make life miserable enough, she and her Fate-wielding sisters must live amongst the humans on Earth thanks to a long-running feud between their mother and Zeus. Living on Earth means they must mingle with the mortals, attend the local high school, and attempt to fit in--or at least not stand out too much. Killing and mingling don't mix, which is why Atropos' number-one rule is to avoid all relationships with the humans. Caring for the people she has
