Democratic Republic of Congo When Gloria first came to War Child, she was very weak. Over one million people have been displaced by fighting in the Kasai region of the Democratic Republic of Congo since August 2016. Fighting between local militias and state forces led to a massive humanitarian crisis and the separation of thousands of families.

Gloria's story | War Child

That ' s probably why I connected deeply with Julie Taymor ' s The Glorias, a hefty, unflinchingly opinionated account of journalist Gloria Steinem ' s life ' s work that covers 80 years of material, but...

The Glorias Review: An Artistic And Eye-Opening Biopic ...

While Gloria ' s Voice: The Story of Gloria Steinem—Feminist, Activist, Leader fits into this category and is well-intentioned, this unofficial biography is ultimately overly simplistic in summing up its legendary subject and Steinem ' s life story. While it could be argued that author and illustrator, Aura Lewis, has produced an accessible book for readers aged four and up, the prose and ...

BOOK REVIEW: Gloria's Voice: The Story of Gloria Steinem ...

The story of Gloria Steinem -- from her childhood in 1940s Ohio to her leading role in the women's liberation movement.

The Glorias (2020) - Rotten Tomatoes

Gloria Steinem started a movement that changed our world. This picture-book biography of the pioneering feminist brings the message of equality to a new generation. Gloria Steinem started a movement that changed our world — and this picture-book biography, which follows Steinem from childhood through her political awakening and beyond, introduces young readers to the pioneering feminist leader.

Gloria Steinem is known as a leader of the feminist movement and a trailblazer who fights for equality for all people. This unofficial biography for young readers tells her story, from being a young girl with big dreams to her inspiring travels in India to the launch of Ms. magazine, which gave women a voice. Gloria's message of believing in yourself and following your dreams will inspire a whole new generation.

A biography of the feminist writer and activist, founder of Ms. magazine and the Ms. Foundation, and her impact on the women's movement.

Perfect for fans of I Dissent comes an inspirational and empowering account of the life of women's rights icon Gloria Steinem. As a young girl, Gloria Steinem thought for herself and spoke her mind. She read many books by her favorite authors and imagined herself as the heroine of the story. Gloria wished. She read. And imagined. But Gloria grew up during a time when women were not encouraged, or even allowed, to do a lot of the things men could do: go to college, get a job, open a bank account, and more. There were restrictions that made it impossible for women to be independent or equal to men. So, Gloria set out to change that . . . Gloria listened. She watched. And wrote. Gloria believed. She marched. And dreamed. From unconventional childhood, to Smith College, to Ms. magazine, to the women's liberation movement, to feminist icon--Gloria Takes a Stand brings to the page a spirited look at Gloria Steinem's influential life, energizing a new generation of feminists to stand up and demand equal rights for all people.

Because he is a young mute person who can hear, Aran becomes involved in the adventures of Eloise and Abelard, France's most famous lovers, who lived during the twelfth century.

Throughout the years, Gloria Steinem is perhaps the single-most iconic figure associated with women's rights, her name practically synonymous with the word "feminism." Documenting everything from her boundary-pushing journalistic career to the foundation of Ms. magazine to being awarded the 2013 Presidential Medal of Freedom, Winifred Conkling's Ms. Gloria Steinem: A Life is a meticulously researched YA biography that is sure to satisfy even the most voracious of aspiring glass-ceiling smashers. Gloria Steinem was no stranger to injustice even from a young age. Her mother, Ruth, having suffered a nervous breakdown at only 34, spent much of Gloria's childhood in and out of mental health facilities. And when Gloria was only 10 years old, her father divorced her mother and left for California, unable to bear the stress of caring for Ruth any longer. Gloria never blamed her mother for being unable to hold down a job to support them both after that, but rather blamed society's intrinsic hostility toward women, and working women in particular. This was the spark that lit a fire in her that would burn for decades, and continues to burn brightly today.

NEW YORK TIMES BESTSELLER • Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE ' S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper ' s Bazaar • St. Louis Post-Dispatch • Publishers Weekly

When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn ' t have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria ' s growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women ' s Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “ on the road ” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road

“ This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers ' stories flow, as she puts it, ‘ out of our heads and into our hearts. ’ ” —People “ Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her. ” —O: The Oprah Magazine “ A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future. ” —USA Today “ A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you ' ve ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights. ” —The New York Times “ Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be. ” —The Boston Globe

The children at Napville Elementary School always ignore Officer Buckle's safety tips, until a police dog named Gloria accompanies him when he gives his safety speeches.

Gloria Norris ' s KooKooLand is a memoir written on the edge of a knife blade. Chilling, intensely moving, and darkly funny, it cuts to the heart and soul of a troubled American family, and announces the arrival of a startlingly original voice. Gloria Norris grew up in the projects of Manchester, New Hampshire with her parents, her sister, Virginia, and her cat, Sylvester. A snapshot might show a happy, young family, but only a dummkopf would buy that. Nine-year-old Gloria is gutsy and wisecracking. Her father, Jimmy, all dazzle and danger, is often on the far side of the law and makes his own rules—which everyone else better follow. Gloria ' s mom, Shirley, tries not to rock the boat, Virginia unwisely defies Jimmy, and Gloria fashions herself into his sidekick—the son he never had. Jimmy takes Gloria everywhere. Hunting, to the racetrack, to slasher movies, and to his parents ' dingy bar—a hole in the wall with pickled eggs and pickled alkies. But it is at Hank Piasecny ' s gun shop that Gloria meets the person who will change her life. While Hank and Jimmy trade good-humored insults, Gloria comes under the spell of Hank ' s college-age daughter, Susan. Brilliant, pretty, kind, and ambitious, Susan is everything Gloria longs to be—and can be, provided she dreams big and aces third grade like Susan tells her to. But, one night, a brutal act changes the course of all their lives. The story that unfolds is a profound portrait of how violence echoes through a family, and through a community. From the tragedy, Gloria finds a way to carve out a future on her own terms and ends up just where she wants to be. Gripping and unforgettable, KooKooLand is a triumph.

Born in the Río Grande Valley of south Texas, independent scholar and creative writer Gloria Anzaldúa was an internationally acclaimed cultural theorist. As the author of *Borderlands / La Frontera: The New Mestiza*, Anzaldúa played a major role in shaping contemporary Chicano/a and lesbian/queer theories and identities. As an editor of three anthologies, including the groundbreaking *This Bridge Called My Back: Writings by Radical Women of Color*, she played an equally vital role in developing an inclusionary, multicultural feminist movement. A versatile author, Anzaldúa published poetry, theoretical essays, short stories, autobiographical narratives, interviews, and children ' s books. Her work, which has been included in more than 100 anthologies to date, has helped to transform academic fields including American, Chicano/a, composition, ethnic, literary, and women ' s studies. This reader—which provides a representative sample of the poetry, prose, fiction, and experimental autobiographical writing that Anzaldúa produced during her thirty-year career—demonstrates the breadth and philosophical depth of her work. While the reader contains much of Anzaldúa ' s published writing (including several pieces now out of print), more than half the material has never before been published. This newly available work offers fresh insights into crucial aspects of Anzaldúa ' s life and career, including her upbringing, education, teaching experiences, writing practice and aesthetics, lifelong health struggles, and interest in visual art, as well as her theories of disability, multiculturalism, pedagogy, and spiritual activism. The pieces are arranged chronologically; each one is preceded by a brief introduction. The collection includes a glossary of Anzaldúa ' s key

terms and concepts, a timeline of her life, primary and secondary bibliographies, and a detailed index.

A beautifully illustrated collection of Gloria Steinem ' s most inspirational and outrageous quotes, with an introduction and essays by the feminist activist herself “ A fearless book full of passion, resolute perspective, and unbiased hope for the future. ” —Janelle Monáe For decades—and especially now, in these times of crisis—people around the world have found guidance, humor, and unity in Gloria Steinem ' s gift for creating quotes that offer hope and inspire action. From her early days as a journalist and feminist activist, Steinem ' s words have helped generations to empower themselves and work together. Covering topics from relationships (“ Many are looking for the right person. Too few are trying to be the right person. ”) to the patriarchy (“ Men are liked better when they win. Women are liked better when they lose. This is how the patriarchy is enforced every day. ”) and activism (“ Revolutions, like trees, grow from the bottom up. ”), this is the definitive collection of Steinem ' s words on what matters most. Steinem sees quotes as “ the poetry of everyday life, ” so she also has included a few favorites from friends, including bell hooks, Flo Kennedy, and Michelle Obama, in this book that will make you want to laugh, march, and create some quotes of your own. In fact, at the end of the book, there ' s a special space for readers to add their own quotes and others they ' ve found inspiring. *The Truth Will Set You Free, But First It Will Piss You Off!* is both timeless and timely. It is a gift of hope from Steinem to readers, and a book to share with friends.
