Tuttavia, il Ministero della Magia era fortemente convinto che la costruzione di una nuova stazione per maghi nel centro di Londra avrebbe messo a dura prova la famosa ostinazione dei Babbani a non notare gli incantesimi neanche quando gli esplodono in faccia. - J.K. Rowling Pottermore Presents è una raccolta di brani scritti da J.K. Rowling tratti dagli archivi di Pottermore: brevi letture pubblicate originariamente su pottermore.com. Questi eBook curati da Pottermore approfondiscono le storie di Harry Potter, svelando le fonti di ispirazione di J.K. Rowling, gli intricati dettagli delle vite dei personaggi e alcune sorprese del mondo magico. Questa guida (poco) pratica a Hogwarts trascina il lettore nella famosa Scuola di Magia e Stregoneria. Pagina dopo pagina, esploreremo il parco del castello, incontreremo degli inquilini di lunga data, approfondiremo alcune materie e scopriremo antichi segreti.

'The Ministry of Magic felt strongly, however, that to construct an additional wizarding station in the middle of London would stretch even the Muggles' notorious determination not to notice magic when it was exploding in front of their faces.' - J.K. Rowling Pottermore Presents is a collection of J.K. Rowling's writing from the Pottermore archives: short reads originally featured on pottermore.com. These eBooks, with writing curated by Pottermore, will take you beyond the Harry Potter stories as J.K. Rowling reveals her inspiration, intricate details of characters' lives and surprises from the wizarding world. Hogwarts An Incomplete and Unreliable Guide takes you on a journey to Hogwarts School of Witchcraft and Wizardry. You'll venture into the Hogwarts grounds, become better acquainted with its more permanent residents, learn more about lessons and discover secrets of the castle . . . all at the turn of a page.

Pottermore Presents E una raccolta di brani scritti da J.K. Rowling tratti dagli archivi di Pottermore: brevi letture pubblicate originariamente su pottermore.com e arricchite da nuove, esclusive integrazioni. Questi eBook curati da Pottermore approfondiscono le storie di Harry Potter, svelando le fonti di ispirazione di J.K. Rowling, gli intricati dettagli delle vite dei personaggi e alcune sorprese del mondo magico. La Collezione Hogwarts riunisce tre volumi della serie Pottermore Presents. Riscopri le storie di Remus Lupin e Minerva McGonagall in Prodezze e passatempi pericolosi. Rivivi i primi di anni di Horace Lumacorno in Potere, politica e poltergeist. Avventurati nei recessi di Hogwarts in Guida (poco) pratica a Hogwarts.

This non-fiction short-form eBook features content which is adapted from the audiobook Harry Potter: A History of Magic - inspired by the British Library exhibition of the same name. If you've gazed into the crystal ball you'll have seen that you are about to enter a place of prediction and fortune-telling that makes up the subject of Divination in the real and wizarding world. From the use of bones and shells thousands of years ago, to peering into teacups in the parlours of Victorian England, for millennia people have strived to see what fate and fortune holds. Trying to read our destinies, the study of the night sky has fascinated people for centuries, from the star atlases of ancient China to the celestial globes of 17th-century Venice. Astronomy holds a special place in the wizarding world as a source of inspiration and identity for Harry Potter's life at Hogwarts, and beyond. This eBook short examines the colourful characters and curious incidents of the real history of magic, and how they relate to the Hogwarts lesson subjects of Divination and Astronomy. The history of magic is as long as time and as wide as the world. In every culture, in every age, in every place and, probably, in every heart, there is magic.

The third instalment in the internationally bestselling series which has now sold hundreds of thousands of copies worldwide. Book 1 in the series was named the #1 Sci-Fi/Fantasy title of the year by the editors of the Amazon Book Review.

In each section of Michael Cunningham's bold new novel, his first since *The Hours*, we encounter the same group of characters: a young boy, an older man, and a young woman. "In the Machine" is a ghost story that takes place at the height of the industrial revolution, as human beings confront the alienating realities of the new machine age. "The Children's Crusade," set in the early twenty-first century, plays with the conventions of the noir thriller as it tracks the pursuit of a terrorist band that is detonating bombs, seemingly at random, around the city. The third part, "Like Beauty," evokes a New York 150 years into the future, when the city is all but overwhelmed by refugees from the first inhabited planet to be contacted by the people of Earth. Presiding over each episode of this interrelated whole is the prophetic figure of the poet Walt Whitman, who promised his future readers, "It avails not, neither time or place . . . I am with you, and know how it is." *Specimen Days* is a genre-bending, haunting, and transformative ode to life in our greatest city and a meditation on the direction and meaning of America's destiny. It is a work of surpassing power and beauty by one of the most original and daring writers at work today.

Return to the wizarding world and discover how director David Yates and producer David Heyman brought J.K. Rowling's all new adventure, *Fantastic Beasts and Where to Find Them* to the big screen. Inside the *Magic: The Making of Fantastic Beasts and Where to Find Them* introduces filmmaking fans to Newt Scamander, Magizoologist, and the principal characters, locations, artefacts and beasts that he encounters in 1920s New York. Explore the filmmaking magic behind MACUSA, the secretive American counterpart of the Ministry of Magic; The Blind Pig where the wizarding underworld gathers; and the magical secrets of Newt's case. Each section contains profiles of the key characters, with revealing insights from Eddie Redmayne, Colin Farrell, Katherine Waterston, Alison Sudol, Dan Fogler and many others, together with sections on set design, costumes, make-up, special effects, art department & props (especially wands!), which are illuminated by interviews with David Heyman, David Yates, Stuart Craig, Colleen Atwood and a magical army of other crew. Packed with exciting photos that reveal the filmmaking process in discerning detail, this is the definitive adult companion book to the film, and perfect introduction to *Fantastic Beasts and Where to Find Them*.

This non-fiction short-form eBook features content which is adapted from the audiobook Harry Potter: A History of Magic - inspired by the British Library exhibition of the same name. Potions have been made for thousands of years - associated with bubbling pots and mysterious ingredients, they have been brewed to make medicines, drugs and poisons. Harry Potter became much better at Potions with a little help from the Half-Blood Prince. Plants have also been important components of medicines as much as myth-making and magic. A source of danger as well as a means of overcoming obstacles, Herbology was a subject which had a major bearing on Harry's key decisions and mistakes in the wizarding world. This eBook short examines the colourful characters and curious incidents of the real history of magic, and how they relate to the Hogwarts lesson subjects of Potions and Herbology. The history of magic is as long as time and as wide as the world. In every culture, in every age, in every place and, probably, in every heart, there is magic.

An indispensable survival manual for guys entering the trenches of fatherhood, *Be Prepared* is loaded with one-of-a-kind insights, MacGyver-esque tips and tricks, and no-nonsense advice for mastering the first year as a dad. Finally, a book that teaches men all the things they really need to know about fatherhood...including how to: -Change a baby at a packed sports stadium -Create a decoy drawer full of old wallets, remote controls, and cell phones to throw baby off the scent of your real gear -Stay awake

(or at least upright) at work -Babyproof a hotel room in four minutes flat -Construct an emergency diaper out of a towel, a sock, and duct tape Packed with helpful diagrams and detailed instructions, and delivered with a wry sense of humor, Be Prepared is the ultimate guide for sleep-deprived, applesauce-covered fathers everywhere.

Teens Jack, Marco, Aly, and Cass begin a quest to find seven pieces of Atlantis' power that were hidden long ago and that will, if returned to Atlantis, save them from certain death due to the genetic abnormality that also gives them superior abilities
