Guided reading is an instructional
approach that involves a teacher working
with a small group of students who
demonstrate similar reading behaviors and
can read similar levels of texts. The text is
easy enough for students to read with your
skillful support; it offers challenges and
opportunities for problem solving, but is
easy enough for students to read with

second grades enhances language arts lesson plans with 36 readers—six sets of two each for below-, on-, and above-level student readers. This resource book engages students with images as they learn about topics such as bees, firefighters, weather, and more. Ready to Go Guided Reading: Summarize offers the essentials for an effective, comprehensive language arts program for first and second grades. This book includes:

- leveled readers that cover high-interest topics
- prompts to encourage students to work with the text and text features
- discussion guides
- graphic organizers and an observation sheet

The high-interest readers are separated into three readability levels and designed to keep students' attention. Various callout boxes direct students to apply guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a

primary sources, political cartoons, charts, graphs, and photos, making the structure and principals of government accessible and motivating to students of all abilities.

Geared towards primary school teachers to understand the foundation for literacy development

In an era of change in education, the time is right to refocus attention on guided reading practices. Guided reading remains an anchor in small group literacy instruction, but how has it changed with the new shifts? In this book, Michael Ford provides a practical resource to guided
