Sometimes things that go bump in the night make the best bodyguards. When Iliona is attacked by a demon, help comes from an unexpected source... Cal, the hot gargoyle from her local coffee shop. Her stone hottie has some secrets of his own though, namely a 'twin' born of stone and just as hot as he is. With everything from a demon to redcaps trying to kill her, can Iliona track down a serial killer before she becomes his next victim? Born of stone to protect... They'll stop at nothing to keep her safe. Freed from their curse Cal and Gran relish their new freedom. Working at Frankie's Coffee Shop isn't the most glamorous, but it beats sitting on the roof of a church. And for Cal, Frankie's has another advantage... the curvy beauty who comes in for coffee. He feels a pull toward her he can't explain, especially not to Gran, who hates anything human. When the chips are down, Gran comes through, but will the secret he's kept close to his heart for centuries destroy them all?

One soul-stealing kiss and she's gone, but he's not that easy to get rid of. And neither are the bully-boy wolves who first hired her to steal for them and now want her head on a platter. She's mysterious, beautiful and a professional thief. Werelion Alex Sullivan is the best at what he does, tracking people who don't want to be found, but even with his skills, bringing in infamous antiquities thief 'The Cat' is proving to be somewhat difficult. She's as good at not being caught as he is at catching people. When he gets the drop on her, he realizes why. She's a magic user. And his mate. Just one problem, the people who own the artefact she just stole want it back... and her dead. He needs to find her before they do, or risk losing his mate before he can make her his... Ankit has lived many lifetimes. Once, long ago, he was made of stone, and marked with symbols and sigils meant to safeguard him and allow him to protect and serve others. He's a living gargoyle now, cursed to live as a human; always watching, at all times aware, and constantly searching for his fated one. While walking home from his job as a librarian, Ethan Lewis is beaten and robbed. Ankit stumbles upon him, and instantly recognizes him as the man he's fated to. He helps him back to his apartment, and after tending his injuries, watches over him. Fate has woven their lives together for centuries, but in every lifetime, they could never live freely, or love each other as Ankit has often dreamed of. To change their destiny, they'll fight together with other gargoyles, and a young watcher, who is unaware of the tremendous power she possesses. This will be the last battle against their creator, and they'll either die fighting for their freedom, or survive to live the life they've always yearned for.
