IES Master, an institute for engineers, offers 360 o learning environment to prepare for top engineering competitive exams such as ESE, GATE, and PSUs. Founded in the year 2011, the institute's success journey started from the very first year of its inception when it produced the first ranker in ESE.

The door to GATE exam is through previous year question papers. If you are able to solve question papers in the access of 10 years, you are sure to clear this exam and open new vistas of career and learning. IES Master's Mechanical Engineering GATE 2020 gives detailed solutions for past 33 years question papers. Unlike other GATE solution books published by some of the leading institutes/publishers, IES Master solution books offers topic-wise descriptions. The emphasis is clearly on the understanding of concepts and building upon a holistic picture. So as you finish a topic, say Fluid Dynamics, you will find all the previous years' question papers with detailed explanation under one topic.
