In the Mood for Love is a 2000 Hong Kong romantic drama film written, produced, and directed by Wong Kar-wai. Its original Chinese title means "Flowery Years". It tells the story of a man (played by Tony Leung) and a woman (Maggie Cheung) whose spouses have an affair together and who slowly develop feelings for each other.

What is Clare Wingate doing? One minute she's suffering in a pretty-in-pink gown she'll never wear again, and the next thing she knows it's morning . . . and she has the nastiest hangover of her life. To make matters worse, she's wearing nothing but a spritz of Escada and lying next to Sebastian Vaughan . . . her girlhood crush turned sexy, globe-hopping journalist. Somewhere between the toast and the toss of the bouquet she'd gotten herself into a whole lot of trouble. Clare had the right to go wild—after all, she'd been knocked off her dyed-to-match shoes after finding her own fiancé in a compromising position with the washing machine repairman. Clearly her society wedding is off. But Sebastian pushed all the wrong buttons—and some of the right ones, too. Clare is in no mood for love—not even for lust—and wants to forget about Sebastian and his six-pack abs ASAP. But he isn't in the mood to go away, and his kiss is impossible to forget.

Including... The DEFINITION of each idiom. The USAGE NOTES showing the history and/or usage of each idiom. The STRUCTURE showing HOW TO USE the idiom. EXAMPLE sentences to see how the idiom is used in context. Why buy this book? It's designed for self-study. This book was written by an English teacher with over 20 years experience. It's an eBook, so you just need to download it and keep a copy on your computer, tablet, or smartphone. It's got a paperback version. It can help you prepare for TOEIC, TOEFL, and IELTS exams. What is an idiom? An idiom is a word or set of words that have a different meaning than the usual & literal meaning of those words. For example, let's look at the idiom, "get the ball rolling." To start a game like bowling or billiards, you roll the ball. So this idiom gives us the idea we are starting something. When we say, "Let's get the ball rolling," we mean, let's begin. You can use this idiom to begin a meeting, a class, or even a road trip. Why learn idioms? Idioms are commonly used in everyday, conversational English. You could begin your meeting with "Let's begin the meeting," but starting the meeting with "Let's get the ball rolling" will make you sound more like a native speaker, and more natural. I encourage you to study the lessons in this book, and begin using these idioms in your conversations. You will sound more natural when you do so!

On April 11, 1931, Virginia Woolf ended her entry in *A Writer's Diary* with the words "too much and not the mood." She was describing how tired she was of correcting her own writing, of the "cramming in and the cutting out" to please other readers, wondering if she had anything at all that was truly worth saying. The character of that sentiment, the attitude of it, inspired Durga Chew-Bose to write and collect her own work. The result is a lyrical and piercingly insightful collection of essays and her own brand of essay-meets-prose poetry about identity and culture. Inspired by Maggie Nelson's *Bluets*, Lydia Davis's short prose, and Vivian Gornick's exploration of interior life, Chew-Bose captures the inner restlessness that keeps her always on the brink of creative expression. *Too Much and Not the Mood* is a beautiful and surprising exploration of what it means to be a first-generation, creative young woman working today.
