Implementing GAAS 2018-19 (Generally Accepted Auditing Standards) provides guidance on all extant UK auditing standards and supporting Practice Notes, Bulletins and other relevant material. The annual title is a practical, up-to-date guide to the ever-expanding and increasingly complex auditing standards and related guidance, which auditors must apply on a daily basis. The book ensures you have information at your fingertips to help ensure a quality audit. It contains many examples, illustrations of recent reports and coverage of problem areas. As such, it is an ideal reference for practitioners, auditors, students, accountants in business and anyone else involved in auditing and reporting. Implementing GAAS explains how the auditing standards, practice notes and bulletins, together with other relevant guidance, are applied in practice. The changes in the documents described for Auditing and Reporting will all therefore be dealt with from a practical perspective in this volume.

A comprehensive guide to GAAS for 2020, covering critical auditing standards, practices, and procedures. Over the last few years, the AICPA has clarified all its professional standards, raising challenges for the accounting professional to stay current and in compliance. This edition will give auditors and accountants the knowledge and understanding they will need to competently perform and successfully complete their engagements. With this valuable resource, readers will have a comprehensive guide to the latest professional standards, practices, and procedures. The Wiley Practitioner's Guide to GAAS 2020 provides an analysis of all SASs, SSAEs, SSARs, and Interpretations. This one book provides all the most recent revisions to the standards, explaining them in a clear way that's designed for greater understanding. Whenever standards are changed, professionals need guidance on conducting engagements efficiently and effectively. This guide to GAAS and other professional standards provides helpful, systematic direction that saves auditors and accountants time and supports them in their jobs. Readers will have a comprehensive view of moving through the process of auditing, reviewing, compiling, and preparing financial statements and performing attestation services. In addition to explanations, readers will get a detailed discussion of current issues and gain the benefits of practice notes, illustrations, checklists, and questionnaires to reference. Practitioners will find: Organization based on the way auditors use the Statements on Auditing Standards, ensuring efficiency and ease of navigation Comprehensive guidance through the auditing process Explanations of all attestation standards Updates and interpretations of Statements on Standards for Accounting and Review Services The Wiley Practitioner's Guide to GAAS 2020 is a fully updated resource for completing audit, attestation, review,
