The major theme of this textbook - the idea of respectful, responsive, and reciprocal adult-infant-toddler interactions has been consistent with each edition. The underlying

Get Free Infant Toddler And

Framework for
the textbook is
founded in the
“Ten Principles”

which is
initially
discussed in
Chapter 1.

Respectful
behaviors on the
part of the
caregivers are
the basis of the
Ten Principles.

Get Free Infant Toddler And

Caregivers 9th
Edition
The textbook
refers to these
in every

chapter, and a
“Principles in
Action” feature
in each chapter
uses a scenario
to further
explain
individual
principles.

Respect is a key
component of the

Curriculum that

Infants,

advocates.

Curriculum has
to do with
respecting and
responding to
each child's
needs in
sensitive ways
that promote
attachment.

focus of
Infants,
Toddlers, and
Caregivers is on
action - putting

theory into 9th
practice.

Knowing “about”
is different
from knowing
“how to.” The
authors
appreciate that
even people with
considerable
understanding of
early
development may
have trouble

Caregivers 8th

acting on that
understanding
unless they have
also learned to
apply theory.
The caregiver
role
incorporates
that of teach

Appreciating

grown in

with each

throughout the
textbook.
