The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer. Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. And, apparently, my blood is tied to the center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about

who I really am. And, believe me when I say, it's going to change everything. Invidious is the highly anticipated second installment in The Marked series, a fast-paced paranormal romance filled with self-discovery, mystery, love, and a unique supernatural world that will leave you captivated and hungry for more.

"My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover.

For there to be light, you must first suffer the darkness. The end came at me jagged and skewed like puzzle pieces to a game I didn't know I was playing. There was a distinct method to the madness, every move propagated to force my hand, to lure me out of hiding with the sweet promise of finality. I took solace in knowing that something better waited for me on the other side, something as pure and deep as the ocean itself. But there was no end in sight. No peace to be found. The end was only the beginning. INIQUITOUS is the heart-pounding third installment in The Marked saga, a fast-paced YA paranormal romance that grapples with love, loss, and self-discovery in a unique supernatural world filled with vampires, witches, shifters, and angels.
