Jake is determined to win the third grade science fair not only for the grand prize, but to beat the annoying class know-it-alls, as well.

Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

Use Novel-Ties © study guides as your total guided reading program. Reproducible pages in chapter-by-chapter format provide you with the right questions to ask, the important issues to discuss, and the organizational aids that help students get the most out of each book they read.

Suddenly, Jake has a new mission in life: to be so funny that even Miss Bruce will laugh! But then things get out of hand, and Jake finds himself in big trouble. Has Jake discovered -- too late -- that not everybody loves a clown?

The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

The Enormous Egg was originally published in 1956 and has been a classic in children's literature ever since.
