Kissing Frogs | TO FIND A PRINCE

Kissing Frogs by Alisha Sevigny was a cute story about finding yourself (or rather re-finding yourself) and friendship. Jessica had been teased by Travis and others in her younger dorkier days, and she's carried it with her, and pretty much let it rule who she is. Now, she's the popular girl and she's thrown back with Travis again.

Dating can be a drag and navigating the dangerous waters of relationship building can lead you on a journey to teenage catastrophe. How can a girl successfully make it through unscathed? Well, super teenage mentor Lauren Galley has the solution. Kissing Frogs: In Search of Prince Charming is the follow up to her #1 Amazon Bestseller smash debut Steps to Success An Empowerment Guide Girls Above Society, where Lauren gives you the tips and advice you need to help you safely land on the other side and find happiness. Within in these twelve chapters, Lauren shares her experience in the ups and downs, highs and lows, peaks and valleys of what the average girl experiences in the game of dating and stresses the importance of loving and being yourself; letting people know the real you so that you'll never have to live up to the expectations of someone you're not. She outlines the quality traits that mark the difference between frogs and princes and puts you in the best position to achieve dating euphoria. Endorsements: "Lauren Galley's intelligent writing provides a comfortable environment in which to have real conversations, including role playing and games (similar to acting exercises) that bring out true emotions." Cyk Cozart -Award Winning Hollywood Actor, producer, writer and philanthropist "Lauren's book is an easy read full of practical actionable advice for this ultra-sensitive age group. It is a peer-to peer conversation, and as such, far more acceptable to the target audience than advice given by adults. I would strongly recommend this book for all Teens, Tweens and their Parents." Christos Effesiou - Author of CDO Chief Dadd "Growing up in the media age has put a whole different kind of pressure on teens and tweens. Many youth lose their way and make poor choices. Girls are especially vulnerable. So much television, magazine, and social media coverage is focused on what society believes is acceptable when it comes to clothes, hair style, weight, and even in choosing friends. This is detrimental to impressionable youth and can destroy their positive self-image. Lauren M. Galley is on a mission to change that!" Stacie Theis of BeachBoundBooks

There was the guy who wanted to suck her toes in public, and the guy who thought he was an alien. As in the kind from outer space. Broken heart? Kate's been there. After her husband left her for a hot Brazilian, her world came crashing down. Her heart and her confidence pretty much got thrown in a blender set to "chop." Her only options were to run home to America with her tail between her legs, or put on her big girl panties and get on with life. She chose the latter. Faith in men? Surprisingly restored by the dreamy Adam Wentworth whose kindness and wicked sense of humor send Kate's damaged heart fluttering once again. After kissing so many frogs, she's determined not to let this prince get away. Get lost in this sweet, feel-good romantic comedy.
