LOCKIE LEONARD, SCUMBUSTER. In this sequel to Lockie Leonard, Human Torpedo (1992), Winton continues to chronicle the tempestuous life of 13-year-old Lockie, Australian surfer kid and lover. Lockie keeps falling in love, this time with a girl who's a better surfer than he is, and who, to his embarrassment, is 11.

## Chapter Summary

can which describes the feelings of being the 'new kid'. Looks like Feels like Sounds like  
2. Metaphors The title of the book is a metaphor - Lockie

Lockie's survived his first year of high school, settling into a new town and his first mad love affair - it's all behind him; he made it! But the world of weirdness hasn't finished with him yet. His little brother's hormones have kicked in, his baby sister refuses to walk or talk - but eats anything in sight - his Dad arrests a sheep and his Mum seems to have checked out of the here and now. As Lockie's world turns upside down, he learns that life is never as simple as it seems and along the way finds out a lot more about himself than he ever realised was there.

Lockie Leonard, hot surf-rat, is in love. The human torpedo is barely settled into his new school, and already he's got a girl on his mind. And not just any girl: it has to be Vicki Streeton, the smartest, prettiest, richest girl in class. But what chance have you got when your dad's a cop, your mum's a frighteningly understanding parent, your brother wets the bed and the teachers take an instant dislike to you and then you fall in love at twelve-and-three-quarter years old? It can only mean trouble, worry, mega-

embarrassment and some wild, wild times.

Lockie Leonard, a thirteen-year-old Australian surfer, moves to a new town and befriends Egg, a long-haired Metal Head, while trying to save the local harbor from being buried in industrial waste.

Three girls. Three boys. Two rival schools. This could get messy. The Ashbury-Brookfield pen pal program is designed to bring together the two rival schools in a spirit of harmony and "the Joy of the Envelope." But when Cassie, Lydia, and Emily send their first letters to Matthew, Charlie, and Sebastian, things don't go quite as planned. What starts out as a simple letter exchange soon leads to secret missions, false alarms, lock picking, mistaken identities, and an all-out war between the schools--not to mention some really excellent kissing.

The book behind the hard-hitting TV drama. This is Australia's underbelly ... bullet holes and all.

An Open Swimmer, winner of the Australian Vogel Award, is the remarkable first novel by Tim Winton, one of Australia's most loved and respected writers. Jerra and his best mate Sean set off in a beaten-up old VW to go camping on the coast. Jerra's friends and family want to know when he will finish university, when he will find a girl. But

## Chapter Summary

they don't understand about Sean's mother, Jewel, or the bush or the fish with the pearl. They think he needs a job, but what Jerra is searching for is more elusive. Only the sea, and perhaps the old man who lives in a shack beside it, can help.

An exploration of marriage and the rich relationship that can exist between father and daughter, *The Riders* is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges—alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship between a

# Get Free Lockie Leonard Scumbuster Chapter Summary

loving man and his tough, bright daughter.

Howl with laughter and squeal with delight at this monstrously exciting new picture book from number one bestselling author David Walliams, illustrated by the awesome Adam Stower!

The writer explores his beloved Australia in a memoir that is “a delight to read [and] a call to arms . . . It beseeches us to revere the land that sustains us” (Guardian). From boyhood, Tim Winton’s relationship with the world around him—rock pools, sea caves, scrub, and swamp—has been as vital as any other connection. Camping in hidden inlets, walking in high rocky desert, diving in reefs, bobbing in the sea between surfing sets, Winton has felt the place seep into him, and learned to see landscape as a living process. In *Island Home*, Winton brings this landscape—and its influence on the island nation’s identity and art—vividly to life through personal accounts and environmental history. Wise, rhapsodic, exalted—in language as unexpected and wild as the landscape it describes—*Island Home* is a brilliant, moving portrait of Australia from one of its finest writers, the prize-winning author of *Breath*, *Eyrie*, and *The Shepherd’s Hut*, among other acclaimed titles.

Winner of The Miles Franklin Literary Award, The Christina Stead Award, WA Premier’s Book

# Get Free Lockie Leonard Scumbuster Chapter Summary

of the Year, Book Data/ABA Book of the Year Award, Goodreading Award-Readers Choice Book of the Year Set in the dramatic landscape of Western Australia, *Dirt Music* tells the story of Luther Fox, a broken man who makes his living as an illegal fisherman—a shamateur. Before everyone in his family was killed in a freak rollover, Fox grew melons and counted stars and loved playing his guitar. Now, his life has become a “project of forgetting.” Not until he meets Georgie Jutland, the wife of White Point’s most prosperous fisherman, does Fox begin to dream again and hear the dirt music—“anything you can play on a verandah or porch,” he tells Georgie, “without electricity.” Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, *Dirt Music* resonates with suspense, emotion, and timeless truths.
