A two-level introductory series for kindergarten and early elementary students studying English for the first time.

Magic Time is a two-level communicative course for kindergarten and early elementary students who are learning English for the first time. The series uses large, humorous scenes to develop speaking, listening, and pre-writing skills. The learning activities and games in Magic Time appeal to student's playful energy through colorful art, music, and movement. The syllabus progresses at a natural, steady pace and offers students many opportunities to practice new language. Magic Time is followed by the six-level communicative series English Time. These two series can be used separately or as one complete eight-level course. Magic Time Workbook 2 provides additional reinforcement for each page in Magic Time Student Book 2.

A two-level introductory series for kindergarten and early elementary students studying English for the first time.

A book of magic tricks for a younger audience.

Designed to help parents to take charge of their home, offers tips on how to recognize six types of testing and manipulating behavior and how to constructively handle misbehavior at home and in public.

An interactive supplement to the bestselling parenting book 1-2-3 Magic -- now in its second edition! "1-2-3 Magic made parenting fun again." "I highly recommend this book to any parent who is spending more time yelling at or nagging their children than smiling at and laughing with them." "All I have to say is that the ideas in this book really WORK! It really is like magic!" "It's such a relief to not feel like I'm constantly yelling at someone! If you want to see a fast improvement in your child's behavior, check out 1-2-3 Magic." 1-2-3 Magic allows you to get back in charge of your home and enjoy your kids again by helping you set limits for your children, and by breaking down the complex task of parenting into three straightforward steps: 1. Controlling Obnoxious Behavior: Learn an amazingly simple technique to get the kids to STOP doing what you don't want them to do (whining, arguing, tantrums, sibling rivalry, etc.) 2. Encouraging Good Behavior: Learn several effective methods to get your kids to START doing what you want them to do (picking up, eating, going to bed--and staying there!, chores, etc.) 3. Strengthening Your Relationships: Learn powerful techniques that reinforce the bond between you and your children. In the 1-2-3 Magic Workbook, the program's simple steps are explained in greater detail, and each workbook chapter contains a summary, questions about the content, case studies, troubleshooting exercises, and wrap-up bullets. In addition to providing material for parents, this guide includes curricula and activities for group leaders and teachers, as well as tactics for addressing the challenges that commonly arise when trainers teach the method in group environments. Extensive reference and resources sections also suggest further research and follow-up study. For years, millions of parents from all over the world have used the award-winning 1-2-3 Magic program to help them raise happier, healthier families and put the fun back into parenting.

Packed with pictures, stories, and activities, English Time is a six-level communicative course that develops students' speaking, listening, reading, and writing skills, while they have fun! With interactive illustrations, captivating stories and a wide variety of activities, English Time offers you great lessons around the clock. Each engaging illustration contains hidden objects for your students to find, so learning new language and grammar is exciting and fun. Plus, the wide variety of activities appeal to every child, no matter what their learning style. Use English Time on its own or combine it with Magic Time to create an appealing eight-level course.

Across America, technology has been eclipsed by magic, as ordinary people become the embodiments of their darkest desires, deepest fears -- and purest selves. Searching for the source of this terrifying phenomenon -- and to save his sister Tina, transformed by it into one of the ethereal creatures known as flares -- former lawyer Cal Griffin and his band of unlikely heroes follow the visions of the charming lunatic Goldie and the fragile song of a cursed bluesman to a secret haven hidden from its malevolent power. The domain of the bluesman and his protector Magritte -- a callgirl turned flare -- is a wondrous sanctuary from the madness. But how long can it survive if the evil beyond it is allowed to flourish? For the world is unraveling little by little. And the salvation of everything left worth saving requires that Cal and his companions journey deep into the very heart and soul of darkness

to confront the beast ruling the Ruby City once called Chicago. But first they must conquer the darkness within themselves.
