This book discusses the relationship, interaction and conflict between everyday life and various institutions in a specific village in North China, with a focus on the formal and informal legal systems. It vividly describes the village 's " legal construction problems " as well as the customs and laws, and such it can be seen as a historical and innovative comment on China 's problems. The book is based on the author 's field investigations assessing vast amounts of material concerning local organizations, formal and informal authorities, economic exchange, religious rituals, as well as interviews with villagers and numerous court files. It presents an in-depth exploration of " pluralism of authority " in China 's rural society, and examines how various authorities were formed. It also summarizes how various local disputes are resolved and discusses

gathered in these volumes provide a composite picture of the history of religion in ancient China from the emergence of writing ca. 1250 BC to the collapse of the first major imperial dynasty in 220 AD. It is a multi-faceted tale of changing gods and rituals that includes the emergence of a form of “ secular humanism ” that doubts the existence of the gods and the efficacy of ritual and of an imperial orthodoxy that founds its legitimacy on a distinction between licit and illicit sacrifices. Written by specialists in a variety of disciplines, the essays cover such subjects as divination and cosmology, exorcism and medicine, ethics and self-cultivation, mythology, taboos, sacrifice, shamanism, burial practices, iconography, and political philosophy. Produced under the aegis of the Centre de recherche sur les civilisations chinoise, japonaise et tib é taine (UMR 8155) and the É cole Pratique des Hautes É tudes (Paris).

Largely unstudied until now, the religious festivals that attracted Chinese people from all walks of life provide the most instructive examples of the interaction between Chinese forms of social life and the Indian tradition of Buddhism. Stephen Teiser examines one of the most important of such annual celebrations. He provides a comprehensive interpretation of the festivities of the seventh lunar month, in which laypeople presented offerings to Buddhist monks to gain salvation for their ancestors. Teiser uncovers a wide range of sources, many translated or analyzed for the first time in any language, to demonstrate how the symbolism, rituals, and mythology of the ghost festival pervaded the social landscape of medieval China.

This is a student-friendly compendium of the essentials of animal biology, including the Animal Kingdom, comparative physiology, reproductive physiology and developmental biology.

In 2010, the editors of this volume completed the first unabridged English-language translation of the Huainanzi, opening exciting new pathways in the study of philosophy, Asian studies, political science, and Asian literature. This abridgement contains essential selections from each of the Huainanzi's twenty-one chapters and adds a new introduction and chapter descriptions. The text represents a remarkable synthesis of Daoist classics, such as the Laozi and the Zhuangzi; books associated with the Confucian tradition, such as the Changes, the Odes, and the Documents; and a range of other foundational philosophical and literary works, from

the Mozi to the Hanfeizi. The abridgement preserves the Huainanzi's special rhetorical features, such as its parallel prose, verse, and unique compositional techniques. The Essential Huainanzi continues to increase awareness of this brilliant work and change our understanding of early Chinese history.

This last book in the six-volume series from NEXTmanga combines cutting-edge illustration with fast-paced storytelling to deliver biblical truth to an ever-changing, postmodern culture. More than 10 million books in over 40 different languages have been distributed worldwide in the series.
