Malcolm X grew to be one of America's most influential figures. But first, he was a boy named Malcolm Little. Written by his daughter, this inspiring picture book biography celebrates a vision of freedom and justice. Bolstered by the love and wisdom of his large, warm family, young Malcolm Little was a natural born leader. But when confronted with intolerance and a series of tragedies, Malcolm's optimism and faith were threatened. He had to learn how to be strong and how to hold on to his individuality. He had to learn self-reliance. Together with acclaimed illustrator AG Ford, Ilyasah Shabazz gives us a unique glimpse into the childhood of her father, Malcolm X, with a lyrical story that carries a message that resonates still today—that we must all strive to live to our highest potential.

An inspiring picture book profile of the iconic civil rights leader's childhood, written by his daughter, describes how young Malcolm's optimism and faith were challenged by intolerance and a series of tragedies that compelled him to learn self-reliance and how to embrace his individuality to reach his highest potential.

Describes how young Malcolm's optimism and faith were challenged by intolerance and a series of tragedies that compelled him to learn self-reliance and how to embrace his individuality to reach his highest potential.

ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Extraordinary . . . a brilliant, painful, important book."—The New York Times "This book will have a permanent place in the literature of the Afro-American struggle."—I. F. Stone

The Awakening of Malcolm X is a powerful narrative account of the activist's adolescent years in jail, written by his daughter Ilyasah Shabazz along with 2019 Coretta Scott King-John Steptoe award-winning author, Tiffany D. Jackson. No one can be at peace until he has his freedom. In Charlestown Prison, Malcolm Little struggles with the weight of his past. Plagued by nightmares, Malcolm drifts through days, unsure of his future. Slowly, he befriends other prisoners and writes to his family. He reads all the books in the prison library, joins the debate team and the Nation of Islam. Malcolm grapples with race, politics, religion, and justice in the 1940s. And as his time in jail comes to an end, he begins to awaken -- emerging from prison more than just Malcolm Little: Now, he is Malcolm X. Here is an intimate look at Malcolm X's young adult years. While this book chronologically follows X: A Novel, it can be read as a stand-alone historical novel that invites larger discussions on black power, prison reform, and civil rights.

"Ilyasah Shabazz has written a compelling and lyrical coming-of-age story as well as a candid and heart-warming tribute to her parents. Growing Up X is destined to become a classic." —SPIKE LEE February 21, 1965: Malcolm X is assassinated in Harlem's Audubon Ballroom. June 23, 1997: After surviving for a remarkable twenty-two days, his widow, Betty Shabazz, dies of burns suffered in a fire. In the years between, their six daughters reach adulthood, forged by the memory of their parents' love, the meaning of their cause, and the power of their faith. Now, at long last, one of them has recorded that tumultuous journey in an unforgettable memoir: Growing Up X. Born in 1962, Ilyasah was the middle child, a rambunctious livewire who fought for—and won—attention in an all-female household. She carried on the legacy of a renowned father and indomitable mother while navigating childhood and, along the way, learning to do the hustle. She was a different color from other kids at camp and yet, years later as a young woman, was not radical enough for her college classmates. Her story is, above all

else, a tribute to a mother of almost unimaginable forbearance, a woman who, "from that day at the Audubon when she heard the shots and threw her body on [ours, never] stopped shielding her children."

WINNER • 2021 PULITZER PRIZE IN BIOGRAPHY • WINNER — 2020 NATIONAL BOOK AWARD FOR NONFICTION • TIME Magazine — 10 Best Nonfiction Books of 2020 • A New York Times Notable Book of 2020 and Editors' Choice Selection • Best Books of 2020: NPR, Washington Post, Library Journal, Chicago Public Library • Excerpted in The New Yorker • Longlisted — Andrew Carnegie Medal for Excellence in Nonfiction • Best Books of Fall 2020 — O, the Oprah Magazine, The Week, St. Louis Post-Dispatch An epic biography of Malcolm X finally emerges, drawing on hundreds of hours of the author's interviews, rewriting much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to interview anyone he could find who had actually known Malcolm X—all living siblings of the Malcolm Little family, classmates, street friends, cellmates, Nation of Islam figures, FBI moles and cops, and political leaders around the world. His goal was ambitious: to transform what would become over a hundred hours of interviews into an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic biography that conjures a never-before-seen world of its protagonist, a work whose title is inspired by a phrase Malcolm X used when he saw his Hartford followers stir with purpose, as if the dead were truly arising, to overcome the obstacles of racism. Setting Malcolm's life not only within the Nation of Islam but against the larger backdrop of American history, the book traces the life of one of the twentieth century's most politically relevant figures "from street criminal to devoted moralist and revolutionary." In tracing Malcolm X's life from his Nebraska birth in 1925 to his Harlem assassination in 1965, Payne provides searing vignettes culled from Malcolm's Depression-era youth, describing the influence of his Garveyite parents: his father, Earl, a circuit-riding preacher who was run over by a street car in Lansing, Michigan, in 1929, and his mother, Louise, who continued to instill black pride in her children after Earl's death. Filling each chapter with resonant drama, Payne follows Malcolm's exploits as a petty criminal in Boston and Harlem in the 1930s and early 1940s to his religious awakening and conversion to the Nation of Islam in a Massachusetts penitentiary. With a biographer's unwavering determination, Payne corrects the historical record and delivers extraordinary revelations—from the unmasking of the mysterious NOI founder "Fard Muhammad," who preceded Elijah Muhammad; to a hair-raising scene, conveyed in cinematic detail, of Malcolm and Minister Jeremiah X Shabazz's 1961 clandestine meeting with the KKK; to a minute-by-minute account of Malcolm X's murder at the Audubon Ballroom. Introduced by Payne's daughter and primary researcher, Tamara Payne, who, following her father's death, heroically completed the biography, *The Dead Are Arising* is a penetrating and riveting work that affirms the centrality of Malcolm X to the African American freedom struggle.

REA's MAXnotes for Alex Haley's *The Autobiography of Malcolm X* MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers. Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The *Autobiography of Malcolm X* limns an archetypal journey from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The *Autobiography* recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of Literature

"Malcolm Little's parents have always told him that he can achieve anything, but from what he can tell, that's a pack of lies--after all, his father's been murdered, his mother's been taken away, and his dreams of becoming a lawyer have gotten him laughed out of school. There's no point in trying, he figures, and lured by the nightlife of Boston and New York, he escapes into a world of fancy suits, jazz, girls, and reefer. But Malcolm's efforts to leave the past behind lead him into increasingly dangerous territory. Deep down, he knows that the freedom he's found is only an illusion--and that he can't run forever. X follows Malcolm from his childh"--

Winner of the Pulitzer Prize for History and a New York Times bestseller, the definitive biography of Malcolm X Hailed as "a masterpiece" (San Francisco Chronicle), Manning Marable's acclaimed biography of Malcolm X finally does justice to one of the most influential and controversial figures of twentieth-century American history. Filled with startling new information and shocking revelations, *Malcolm X* unfolds a sweeping story of race and class in America. Reaching into Malcolm's troubled youth, it traces a path from his parents' activism as followers of Marcus Garvey through his own work with the Nation of Islam and rise in the world of black nationalism, and culminates in the never-before-told true story of his assassination. *Malcolm X* is a stunning achievement, the definitive work on one of our greatest advocates for social change.
