I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Not only is Radiohead the most innovative and influential rock band it's also the most philosophically and culturally relevant. Since the 1993 breakthrough hit "Creep," the band keeps on making waves, with its view of the Bush presidency (Hail to the Thief), its anti-corporatism, its ecologically conscious road tours, its videos, and its decision to sell In Rainbows online at a 'pay whatever you want' price. Composed by a team of Radiohead fans who also think for a living, Radiohead and Philosophy is packet like a crushed tin box with insights into the meaning and implications of Radiohead's work. Paranoid or not, you'll understand Radiohead better than any android. "Can a rock band still matter? Can it be a positive force in a postmodern world? For millions, Radiohead can, and these thought-provoking essays address how and why Radiohead makes a difference by working at the margins of popular culture."

This book constitutes the refereed proceedings of the 17th International Conference on Artificial Intelligence: Methodology, Systems, and Applications, AIMSA 2016, held in Varna, Bulgaria in September 2015. The 32 revised full papers 6 poster papers presented were carefully reviewed and selected from 86 submissions. They cover a wide range of topics in AI: from machine learning to natural language systems, from information extraction to text mining, from knowledge representation to soft computing; from theoretical issues to real-world applications.

The Conquest of a Continent; or, The Expansion of Races in America is a eugenicist work by an American lawyer and biologist Madison Grant. The book deals with the settlement of American continent throughout the centuries, and with migrations of different tribes and racial groups to and from America.
