THE DEFINITIVE GUIDE TO INPATIENT MEDICINE, UPDATED AND EXPANDED FOR A NEW GENERATION OF STUDENTS AND PRACTITIONERS A long-awaited update to the acclaimed Saint-Frances Guides, the Saint-Chopra Guide to Inpatient Medicine is the definitive practical manual for learning and practicing inpatient medicine. Its end-to-end coverage of the specialty focuses on both commonly encountered problems and best practices for navigating them, all in a portable and user-friendly format. Composed of lists, flowcharts, and "hot key" clinical insights based on the authors' decades of experience, the Saint-Chopra Guide ushers clinicians through common clinical scenarios from admission to differential diagnosis and clinical plan. It will be an invaluable addition -- and safety net -- to the repertoire of trainees, clinicians, and practicing hospitalists at any stage of their career.

Completely revised and updated, with a totally new look! The previous edition of this book is The Ultimate Medical Mnemonic Comic Book: Color Version (ISBN 978-1532726217) The Ultimate Medical Mnemonic Comic Book combines mnemonics, over 150 cartoons, bullet points, and humor to review and retain important medical information. Whether you're a medical student, physician, physician assistant, nurse, student, or other health care professional, you need to access a vast wealth of information quickly and accurately. From the finer points of human physiology to differential diagnoses, pharmacology, and complex medical procedures, you're expected to have the facts you need, when you need them. Memorizing and retaining so much information is a gargantuan task. Health care professors Dwayne A. Williams and Isaak. N. Yakubov are here to help with hundreds of health care-related memory aids. While not intended to be a sole source of information, Williams and Yakubov's work offers a lighthearted but effective supplement to traditional textbooks. Clever mnemonics and funny wordplay stick in your head, while cartoons offer memory anchors for visual learners. The Ultimate Medical Mnemonic Comic Book adds entertainment and laughter to what would otherwise be a grueling test of memory. Whether you're still studying or just need a quick mental refresher, The Ultimate Medical Mnemonic Comic Book helps you learn and retain the knowledge you need to succeed in your chosen health care career.
