Known for its comprehensive coverage, readability, and visual presentation, Mosby's Textbook for Nursing Assistants, 10th Edition helps
prepare you to work in long-term care, acute care, and subacute care settings — and includes a practice scenario in each chapter to enhance
clinical judgment skills. It is the most comprehensive text for CNA programs, packed with step-by-step instructions for over 100 procedures
and perfect for programs that are 80 hours or longer. The lifespan coverage includes skills not only for adults and older residents, but also for
maternity and pediatric patients, so you are comfortable in a variety of care settings. New chapter organization allows you to learn in
manageable portions and a revitalized art program clarifies important concepts and procedural steps A clear writing style at a 7th grade
reading level ensures accessibility for low-level learners. Over 100 skills outlined in pre- procedure, procedure, and post-procedure sections
ensure you learn all the necessary steps to pass the skills portion of the certification exam. Complete coverage of the knowledge and skills
needed to pass the state certification exam and engage in safe practice. Focus on Practice: Problem Solving provides scenarios that
stimulate critical thinking about common situations encountered during practice. Focus on Math feature reviews mathematical calculations
needed in various care measures and procedures. Focus on Surveys feature highlights the nursing assistant's role during state inspections.
Getting a Job chapter covers the soft skills needed to seek and obtain employment. Focus on PRIDE: The Person, Family, and Yourself
boxes build on chapter concepts to help promote pride in the nursing assistant, the resident, and the resident's family. Promoting Safety and
Comfort boxes emphasize the importance of the patient's or resident's safety and comfort. Delegation Guidelines detail the specifics of
accepting delegated tasks. Focus on Children and Older Person boxes provide age-specific information about special needs, considerations,
and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing
competent care in the long-term and home care settings. Focus on Communication boxes provide guidelines for how to clearly communicate
with residents and avoid comments that might make them uncomfortable. Caring About Culture boxes contain information to help you learn
about the various practices of other cultures. Teamwork and Time Management boxes provide specific guidelines to help nursing assistants
work most efficiently whether independently or as part of the nursing team. Chapter review questions are a useful study guide found at the

end of each chapter.

It's an essential workbook and exam review all in one! Corresponding to the chapters in Sorrentino and Remmert's comprehensive text, the Workbook and Competency Evaluation Review for Mosby's Textbook for Nursing Assistants, 10th Edition reinforces your understanding with numerous exercises and review questions — including matching, multiple-choice, labeling, crosswords, and mini case studies. Checklists for each of the 100+ procedures in the text help you study key skills. The Competency Evaluation Review section prepares you for the CNA exam with a review of content, a skills evaluation review, and two practice exams. Competency Evaluation Review provides content review, quizzes, and sample exams to help you prepare for certification. A wide variety of exercises, including matching, multiple-choice, labeling, crosswords, and mini case studies, reinforce learning. Procedure checklists prepare you for the skills demonstration portion of the certification exam. UPDATED! New chapter organization breaks material into manageable portions, improving your ability to retain important information.

Leading and Managing in Nursing, 5th Edition -- Revised Reprint by Patricia Yoder-Wise successfully blends evidence-based guidelines with practical application. This revised reprint has been updated to prepare you for the nursing leadership issues of today and tomorrow, providing just the right amount of information to equip you with the tools you need to succeed on the NCLEX and in practice. Content is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including patient safety, workplace violence, consumer relationships, cultural diversity, resource management, and many more. "... apt for all nursing students and nurses who are working towards being in charge and management roles." Reviewed by Jane Brown on behalf of Nursing Times, October 2015 Merges theory, research, and practical application for an innovative approach to nursing leadership and management. Practical, evidence-based approach to today's key issues includes patient safety, workplace violence, team collaboration, delegation, managing quality and risk, staff education, supervision, and managing costs and budgets. Easy-to-find boxes, a full-color design, and new photos highlight key information for quick reference and effective study. Research and Literature Perspective boxes summarize timely articles of interest, helping you apply current research to evidence-based practice. Critical thinking questions in every chapter challenge you to think critically about chapter concepts and apply them to real-life situations. Chapter Checklists provide a quick review and study guide to the key ideas in each chapter, theory boxes with pertinent theoretical concepts, a glossary of key terms and definitions, and bulleted lists for applying key content to practice. NEW! Three new chapters - Safe Care: The Core of Leading and Managing, Leading Change, and Thriving for the Future - emphasize QSEN competencies and patient safety, and provide new information on strategies for leading change and what the future holds for leaders and managers in the nursing profession. UPDATED! Fresh content and updated references are incorporated into many chapters, including Leading, Managing and Following; Selecting, Developing and Evaluating Staff; Strategic Planning, Goal Setting, and Marketing; Building Teams Through Communication and Partnerships; and Conflict: The Cutting Edge of Change. Need to Know Now bulleted lists of critical points help you focus on essential research-based information in your transition to the workforce. Current research examples in The Evidence boxes at the end of each chapter illustrate how to apply research to practice. Revised Challenge and Solutions case scenarios present real-life leadership and management issues you'll likely face in today's health care environment.
