Do you want to be a leader? Or, do you want more leaders on your network marketing team? The strength of your network marketing business is measured in leaders - not in the number of distributors. Leaders are the long-term foundation of your business. Everyone says they want to have more leaders, but how? How does one find leaders? How does one create leaders? What are the things we need to teach ordinary distributors to do in order to become leaders? Successful leaders have a plan. They want to duplicate themselves as leaders. This plan doesn't happen by accident. Follow this plan. Instead of wishing and hoping for leaders, this book will give you the step-by-step activities to actually create leaders. Yes, there is a plan for building leaders and it is simple to follow. Discover how to give ordinary distributors a leadership test to determine if they are ready to enter the path of leadership. Then, learn how to start their training process with the biggest leadership lesson of all: problems. When you have an organization of leaders, network marketing gets easier. Instead of spending the day with repetitive activities with distributors, you will enjoy the free time this business offers. Spend the time to build and create leaders, and then you will have the freedom to visit the beaches of the world. This is the perfect book to lend to a new distributor who wants to build a long-term MLM business, and would like to know exactly how to build it. Creating network marketing leaders should be the focus of every business-builder. Order your copy now!

There is a reason many people succeed in network marketing while many others fail. This book explores the reasons so that anyone can understand and climb as high as they want in the business. It sounds so simple. Recruit a bunch of people. Sell a bunch of products. When your recruits do it and their recruits do it, you're on your way to the Land of Time and Money. (All the money you need and all the free time to enjoy it). While it is simple to explain, it takes a few simple skills to connect the dots and make it happen. Unfortunately, most network marketers never learn the skills. This is the book that contains easy to follow steps to fill that void. This book covers: How to select the business that is right for you How to select a team that can guide you to success How to get a financial incentive from the government How to always have people standing in line waiting to hear about your business What to show them How to start your new people on the path to success How to leverage the natural laws of business Network marketing professionals are some of the highest paid people in the world. This book tells you how to become one of them. It was written by a successful network marketer who made it to one of the top positions in his company.
