With the recent new and radical developments in the health care field that have been introduced at a breathless pace, nurse administrators must work to stay informed of the developments that affect their nursing departments both directly and indirectly. The Nursing Administration Handbook has a long track record, both as a textbook and as a hands-on tool for nurse executives seeking insight and step-by-step guidance in all aspects of administration. The fourth edition of this text surveys the entire field of nursing administration and incorporates the most significant new developments and current practices.

At some point, most people have been caught off guard by tough interview questions. This book helps readers take charge of the situation! In *Acing the Interview*, the employment expert Dr. Phil called "the best of the best" gives job seekers candid advice for answering even the most unexpected questions, including: " You really don't have as much experience as we would like -- why should we hire you?" How many hours in your previous jobs did you have to work each week to get everything done?" What do you consider most valuable -- a high salary, job recognition, or advancement? The book also arms readers with questions to ask prospective employers that could prevent their making a big job mistake: "What would you say are the worst parts of this job?" What are the major problems facing the company and this department?" Why aren't you promoting from within? Taking readers through the entire process, from the initial interview to evaluating a job offer, and even into salary negotiation, *Acing the Interview* is a no-nonsense, take-no-prisoners guide to interview success.
