Rereading America remains the most widely adopted book of its kind because of its unique approach to the issue of cultural diversity. Unlike other multicultural composition readers that settle for representing the plurality of American voices and cultures, Rereading America encourages students to grapple with the real differences in perspectives that arise in our complex society. With extensive editorial apparatus that puts readings from the mainstream into conversation with readings from the margins, Rereading America provokes students to explore the foundations and contradictions of our dominant cultural myths.

Rereading America remains the most widely adopted book of its kind because it works: instructors tell us time and again that they've watched their students grow as critical thinkers and writers as they grapple with cross-curricular readings that not only engage them, but also challenge them to reexamine deeply held cultural assumptions, such as viewing success solely as the result of hard work. Extensive apparatus offers students a proven framework for revisiting, revising, or defending those assumptions as students probe the myths underlying them. Rereading America has stayed at the forefront of American culture, contending with cultural myths as they persist, morph, and develop anew. The tenth edition, developed with extensive input from users, features a refreshed collection of readings with a new chapter that introduces students to one of the most pervasive myths of our time: technological innovation fosters a more equal society. Also in response to instructors' requests for more writing instruction, there are now more questions that help students apply to their own writing the strategies used in the readings.

This indispensable text reader provides a broad-ranging and thoughtfully organized feminist introduction to the ongoing controversies of development in Latin America and the Caribbean. Designed for use in a variety of college courses, the volume collects an influential group of essays first published in *Latin American Perspectives*-a theoretical and scholarly journal focused on the political economy of capitalism, imperialism, and socialism in the Americas. The reader is organized into thematic sections that focus on work, politics, and culture, and each section includes substantive introductions that identify key issues, trends, and debates in the scholarly literature on women and gender in the region. Demonstrating the rich and multidisciplinary nature of Latin American studies, this collection of timely, empirical studies promotes critical thinking about women's place and power; about theory and research strategies; and about contemporary economic, political, and social conditions in Latin America and the Caribbean. Valuable as both a supplementary or primary text, *Rereading Women* makes a convincing claim for a materialist feminist analysis. It convincingly shows why women have become an increasingly important subject of research, acknowledges their gains and struggles over time, and explores the contributions that feminist theory has made toward the recognition of gender as a relevant-indeed essential-category for analyzing the political economy of development.

best friend. Told through Rashad and Quinn's alternating viewpoints.

'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of *Writing Your Dissertation in Fifteen Minutes a Day*

'Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women
Wendy Laura Belcher's *Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success* is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

Designed for an introductory course in philosophy that uses primary texts, *Fifty Readings Plus* by Donald C. Abel is an expanded version of his best-selling topical anthology *Fifty Readings in Philosophy*. It retains all the pedagogical aids of that book and has a wide variety of additional features such as study and discussion questions that help students get the most from the readings and from their introduction to philosophy.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender,
