A collection of 300 multiple-choice questions
which are divided into subject chapters

corresponding with those in General and
Systematic Pathology, a complementary text.
However, full explanatory answers are
supplied so that this book may be used with
any pathology textbook. The questions take
the form of a stem with five branches which
must be marked true or false. This is the
most commonly used system of questions in
British medical schools and is usually scored
as +1 for a correct response and zero for no
response.
